

Simple Six by Six Mini Book with Pockets

EIN PROJEKT AUS UNSERER LIVE-SHOW - STUDIO 3 - 17. APRIL 2022

ÜBER DIESES PROJEKT

Create a beginner-friendly six by six inch (or eight by eight) mini album with interactive pockets, hinged pages, and space for photos, tags, and embellishments. This foundational album teaches basic scoring, folding, and pocket construction techniques.

Aus der Show: Studio 3

Gezeigt: 17. April 2022

Das Projekt beginnt: 14:00 nach Showbeginn

In dieser Anleitung: 14 Schritte

SCHRITT FÜR SCHRITT

1**SCHRITT 1 VON 14**

Cut five sheets of six by six inch double-sided paper, or use eight by eight if you prefer a larger album.

DIESEN SCHRITT ANSEHEN - 14:15**2****SCHRITT 2 VON 14**

Score your first sheet down the centre at three inches (or four inches for eight by eight) using a score tool on your guillotine.

DIESEN SCHRITT ANSEHEN - 15:00**3****SCHRITT 3 VON 14**

Turn the paper and score across the bottom at two inches to mark the depth of your pocket.

DIESEN SCHRITT ANSEHEN - 15:30**4****SCHRITT 4 VON 14**

Cut up the centre line to the horizontal score line, then fold one section up and one section back to create a small pocket book.

DIESEN SCHRITT ANSEHEN - 16:45**5****SCHRITT 5 VON 14**

Glue the sides of this pocket book together to close it, creating your first mini book insert.

DIESEN SCHRITT ANSEHEN - 17:30**6****SCHRITT 6 VON 14**

Score all remaining sheets at half an inch down the left edge to create the hinge that will bind your album together.

DIESEN SCHRITT ANSEHEN - 23:00**7****SCHRITT 7 VON 14**

On your second sheet, score at half an inch on the left, then at four inches across to create an interactive pocket page.

DIESEN SCHRITT ANSEHEN - 24:30

8**SCHRITT 8 VON 14**

Score a line at three inches (the middle of your six by six sheet) to create a T-shaped score pattern for the pocket.

DIESEN SCHRITT ANSEHEN - 26:45**9****SCHRITT 9 VON 14**

Cut up the centre line to the horizontal score line, then trim the corners at an angle to reduce bulk when folding.

DIESEN SCHRITT ANSEHEN - 27:00**10****SCHRITT 10 VON 14**

Glue the hinge of this page to the hinge of your front cover, then fold and crease all pages together.

DIESEN SCHRITT ANSEHEN - 28:00**11****SCHRITT 11 VON 14**

Continue adding pages by gluing hinge to hinge, alternating between plain pages and pages with interactive pockets.

DIESEN SCHRITT ANSEHEN - 38:00**12****SCHRITT 12 VON 14**

Cut five by five inch squares from your paper and score at half an inch on three sides to create additional pockets for tags and embellishments.

DIESEN SCHRITT ANSEHEN - 44:00**13****SCHRITT 13 VON 14**

Glue these smaller pockets onto your pages, positioning them at the base, sides, or corners as desired.

DIESEN SCHRITT ANSEHEN - 49:00**14****SCHRITT 14 VON 14**

Create double-layered waterfall pockets by making progressively smaller pockets (five by five and a half, then four by four and a half) and stacking them.

DIESEN SCHRITT ANSEHEN - 1:08:00

TIPPS AUS DER SHOW

- Always score at half an inch for hinges to keep the binding consistent and strong.
- Trim corners at an angle before folding pockets to reduce bulk and prevent the paper from cracking.
- You can use single-sided paper; just accept that the back will be white, or stick two pieces together back-to-back for a more finished look.
