

Full Window Shaker Card with Acetate and Sequins

EIN PROJEKT AUS UNSERER LIVE-SHOW - CREATE TOGETHER CLUB - 11. APRIL 2022

ÜBER DIESES PROJEKT

A shaker card featuring a full acetate window rather than a shaped aperture, filled with colourful sequins. The card combines a stamped floral background, watercoloured flower focal point, vellum wrap with sentiment, and decorative sequin embellishments for a dynamic, movement-filled design.

SCHRITT FÜR SCHRITT

1**SCHRITT 1 VON 12**

Create a background on white cardstock by stamping a floral pattern repeatedly using black ink and the stamp set, repositioning the cardstock rather than the stamp to ensure even coverage.

DIESEN SCHRITT ANSEHEN - 6:30

2**SCHRITT 2 VON 12**

Stamp a single flower image onto a separate piece of white cardstock to use as your focal point.

DIESEN SCHRITT ANSEHEN - 10:00

3**SCHRITT 3 VON 12**

Take a second piece of white cardstock the same size as your stamped background and use a square nesting die to cut an aperture in the centre, creating your window opening.

DIESEN SCHRITT ANSEHEN - 11:00

4**SCHRITT 4 VON 12**

Clean an old acetate sheet from a stamp set and cut it to the exact size of your window aperture to use as a shaker window.

DIESEN SCHRITT ANSEHEN - 13:00

5**SCHRITT 5 VON 12**

Glue the acetate sheet to the back of the cardstock with the window, using everyday craft glue.

DIESEN SCHRITT ANSEHEN - 15:00

6**SCHRITT 6 VON 12**

Apply foam pads around the entire inner edge of the window frame, removing the backing as you go, to create elevation for your shaker contents.

DIESEN SCHRITT ANSEHEN - 19:30

7**SCHRITT 7 VON 12**

Cut a piece of vellum and wrap it around your acetate window, then trim away excess vellum.

DIESEN SCHRITT ANSEHEN - 25:45

8

SCHRITT 8 VON 12

Watercolour your flower focal point with light pink and green washes, adding colour to the flowers and leaves with a suggestion of colour rather than full coverage.

DIESEN SCHRITT ANSEHEN - 27:00

9

SCHRITT 9 VON 12

Glue your watercoloured flower piece to the foam pads on the front of your card.

DIESEN SCHRITT ANSEHEN - 29:00

10

SCHRITT 10 VON 12

Fill the shaker window with colourful sequins in coordinating shades, distributing them evenly so they move freely inside.

DIESEN SCHRITT ANSEHEN - 30:15

11

SCHRITT 11 VON 12

Add a washi tape sentiment or die-cut sentiment to the vellum wrap on your window.

DIESEN SCHRITT ANSEHEN - 32:00

12

SCHRITT 12 VON 12

Glue sequins around the edges of your focal flower and vellum wrap as additional embellishment on the front of the card.

DIESEN SCHRITT ANSEHEN - 34:30

TIPPS AUS DER SHOW

- If you don't have acetate sheets, clean and reuse the acetate from old stamp sets.
- When using glitter or fine sparkles instead of sequins, ensure there are no gaps in your foam pad frame or the sparkles will escape.
- Use foam pads on a roll if available, or cut larger foam pads into smaller pieces to fit your frame edges.
