Slimline Card with Layered Embossed Floral Design and Die-Cut Spotlight

EIN PROJEKT AUS UNSERER LIVE-SHOW - JOIN TONI FOR HER LIVE SHOW BROADCAST TUESDAY 15TH FEB - 15...

ÜBER DIESES PROJEKT

Create an elegant slimline card featuring a large tropical floral background stamp with clear and gold embossing on layered cardstock. The design uses nesting circle dies to create a spotlight effect, with the die-cut pieces layered with 3D pads to add dimension and showcase the matching embossed pattern beneath.

Aus der Show: Join Toni for her LIVE show broadcast Tuesday 15th Feb
Gezeigt: 15. Februar 2022
Das Projekt beginnt: 17:30 nach Showbeginn
In dieser Anleitung: 11 Schritte

IN DER SHOW ANSEHEN

SCHRITT FÜR SCHRITT

1

SCHRITT 1 VON 11

Cut two pieces of cardstock (one pink, one white) to exactly the same size for your slimline card base.

DIESEN SCHRITT ANSEHEN - 19:45

2

SCHRITT 2 VON 11

Position the large floral background stamp in the corner of the pink cardstock and stamp using a sticky ink pad.

DIESEN SCHRITT ANSEHEN - 20:15

3

SCHRITT 3 VON 11

Apply clear embossing powder to the stamped image and heat set with an embossing gun until the powder melts and becomes glossy.

DIESEN SCHRITT ANSEHEN - 21:30

4

SCHRITT 4 VON 11

Stamp the same floral design in the same corner position on the white cardstock using a sticky ink pad.

DIESEN SCHRITT ANSEHEN - 25:15

5

SCHRITT 5 VON 11

Apply gold embossing powder to this stamped image and heat set with an embossing gun.

DIESEN SCHRITT ANSEHEN - 26:30

6

SCHRITT 6 VON 11

Use nesting circle dies to cut out circles from the pink cardstock, creating a pattern with some circles cut out and others left as solid areas.

DIESEN SCHRITT ANSEHEN - 31:00

7

SCHRITT 7 VON 11

Tape down the die positions on the pink cardstock to prevent the dies from shifting during cutting.

DIESEN SCHRITT ANSEHEN - 33:30

8

SCHRITT 8 VON 11

Run the taped cardstock through your die-cutting machine to cut out the nesting circles.

DIESEN SCHRITT ANSEHEN - 33:45

9

SCHRITT 9 VON 11

Layer the cut pink piece on top of the gold-embossed white piece, aligning the designs so the gold embossing shows through the die-cut circles.

DIESEN SCHRITT ANSEHEN - 34:30

10

SCHRITT 10 VON 11

Apply 3D foam pads to the back of the die-cut piece, using multiple pads and cutting some in half to support delicate details and prevent sinking.

DIESEN SCHRITT ANSEHEN - 35:00

11

SCHRITT 11 VON 11

Add a washi tape strip along one edge of the card and attach a sentiment using foam pads for dimension.

DIESEN SCHRITT ANSEHEN - 39:30

TIPPS AUS DER SHOW

- Both pieces of cardstock must be exactly the same size to create the illusion technique where the embossed pattern shows through the die-cut circles.
- Don't be tight with your 3D foam pads; use plenty to prevent your design from flopping or sinking.
- If you don't have nesting dies, you can use square or rectangle nesting dies instead, or create a matte layer with a different cardstock colour.
