Teal and Gold Embossed Lantern Shaker Card

EIN PROJEKT AUS UNSERER LIVE-SHOW - CATCH UP ON THE FRIDAY FRENZY - 15. OKTOBER 2021

ÜBER DIESES PROJEKT

Create a stunning shaker card featuring a blurred watercolour-effect background with a lantern stamp, finished with heat-embossed gold detailing and a window aperture filled with sequins. The layered inking technique creates a soft, artistic backdrop that contrasts beautifully with the crisp embossed focal point.

Aus der Show: CATCH UP on the FRIDAY FRENZY
Gezeigt: 15. Oktober 2021
Das Projekt beginnt: 23:00 nach Showbeginn
In dieser Anleitung: 16 Schritte

SCHRITT FÜR SCHRITT

1

SCHRITT 1 VON 16

Start with a square piece of craft-coloured cardstock and place a lantern stamp in the centre, holding it in place with a magnet.

DIESEN SCHRITT ANSEHEN - 23:00

2

SCHRITT 2 VON 16

Apply dye-based ink (blue) directly onto the cardstock around the stamp, then spray the card with water to create a blurred effect.

DIESEN SCHRITT ANSEHEN - 24:15

3

SCHRITT 3 VON 16

Stamp the lantern into the wet ink and water, pressing down firmly, then lift the stamp away to reveal the soft, blurred impression.

DIESEN SCHRITT ANSEHEN - 24:45

4

SCHRITT 4 VON 16

Mop up excess water with a paper towel to remove dampness, then apply oxide ink (green) to the stamp and spray the stamp itself with water this time.

DIESEN SCHRITT ANSEHEN - 25:30

5

SCHRITT 5 VON 16

Stamp the lantern again onto the card to add another layer of colour and texture, creating depth in the background.

DIESEN SCHRITT ANSEHEN - 26:15

6

SCHRITT 6 VON 16

Once the card is dry, use an anti-static bag and apply sticky embossing ink over the lantern stamp impression.

DIESEN SCHRITT ANSEHEN - 26:45

7

SCHRITT 7 VON 16

Stamp the lantern twice more using the sticky ink pad to ensure all intricate details are covered with embossing ink.

DIESEN SCHRITT ANSEHEN - 31:15

8

SCHRITT 8 VON 16

Dust the embossing ink generously with Midas Touch embossing powder (gold), ensuring complete coverage of the stamped design.

DIESEN SCHRITT ANSEHEN - 31:45

9

SCHRITT 9 VON 16

Heat set the embossing powder with a heat gun until the powder melts and becomes shiny and raised.

DIESEN SCHRITT ANSEHEN - 32:45

10

SCHRITT 10 VON 16

Cut out the centre circle of the lantern design carefully using scissors, following the line of the design to create an aperture window.

DIESEN SCHRITT ANSEHEN - 35:15

11

SCHRITT 11 VON 16

Adhere a piece of acetate to the back of the card using foam pads around the window edge, ensuring no gaps so pieces don't fall through.

DIESEN SCHRITT ANSEHEN - 37:00

12

SCHRITT 12 VON 16

Stamp a sentiment from the same stamp set onto black cardstock and heat emboss it with Mermaid Tails embossing powder (teal).

DIESEN SCHRITT ANSEHEN - 38:30

13

SCHRITT 13 VON 16

Glue the embossed sentiment piece to the back of the acetate window so it shows through the aperture.

DIESEN SCHRITT ANSEHEN - 39:45

14

SCHRITT 14 VON 16

Add foam pads around the entire back of the window frame to create a shaker pocket.

DIESEN SCHRITT ANSEHEN - 42:45

15

SCHRITT 15 VON 16

Pour teal and silver sequins into the shaker pocket, spreading them evenly to avoid lumps in the middle of the card.

DIESEN SCHRITT ANSEHEN - 45:00

16

SCHRITT 16 VON 16

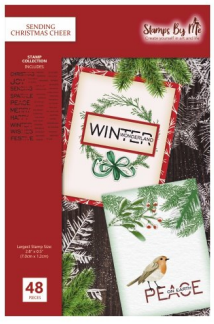

Adhere the shaker card to a card blank base, then add clear iridescent sparkles around the edge using glitter glue for extra embellishment.

DIESEN SCHRITT ANSEHEN - 46:45

TIPPS AUS DER SHOW

- Stamp twice with embossing ink to ensure all intricate details are covered before heat setting.
- Double-pad the foam pads if you want to add more sequins and create extra depth in your shaker card.
- Tap the card gently to help sequins settle and move around so the sentiment remains visible through the window.
