PASO A PASO

PASO 1 DE 14

Ink up the stamps in the Flowery set, with the Memento and stamp on to a sheet of decorative paper, from the Funky Fossil Rainbow pad.

PASO 2 DE 14

Ink up Daisy and stamp on to the same, or coordinating paper, but you will only need her t-shirt.

PASO 3 DE 14

Reink Daisy and stamp her on to the 5 x 4" super smooth, white card.

PASO 4 DE 14

Cut out all your stamped elements.

PASO 5 DE 14

Use your HIMI oil pencils to add more colour and depth, to your florals and foliage. Use the white gel pen to add accents and highlights.

PASO 6 DE 14

Colour in Daisy's skin, hair and flower, with your Gossip Alcohol pens. Pop a sheet of copy paper or scrap card underneath, as alcohol ink bleeds through card and could stain the work surface.

PASO 7 DE 14

Glue the cut out t-shirt on to Daisy and set her and the florals and foliage, to one side.

PASO 8 DE 14

Die cut a Framed Heart from the black card (5 x 4") and the next size down heart, from the white card (5 x 4").

Pop the remaining white card to one side, to stamp your sentiments on, in a later step.

PASO 9 DE 14

Adhere the white heart on top of the black one.

PASO 10 DE 14

Adhere flat, on to your DL card blank, at a slight angle.

PASO 11 DE 14

Adhere Daisy just to the left of the card, with foam pads.

PASO 12 DE 14

Adhere your florals and foliage under and around Daisy, using a combination of wet glue and foam pads, thus adding depth and dimension to your card.

13

PASO 13 DE 14

Ink up the word stamps with the Memento and stamp on to the white card you set aside earlier.

Cut them out, then use your black pen to draw a decorative frame around each one.

14

PASO 14 DE 14

Adhere to your card, to finish.
