## PASO A PASO

1

### PASO 1 DE 15

**Stamp our Graffiti Monsters on to a masking sheet, or a piece of copy paper and **fussy cut** to create your "masks", keeping as close to the stamped lines as possible.**

2

### PASO 2 DE 15

**Ink up the first monster with the Midnight ink and stamp in the bottom right corner of the white card, cut to 8 1/4 x 3 1/2".**

3

### PASO 3 DE 15

**Cover your stamped image** with the appropriate "mask".

Tip: Place a sheet of copy paper underneath your card, as you will be doing a lot of stamping off the edges of the card.

4

PASO 4 DE 15

**Stamp your next monster in Midnight**, so it's just overlapping the masked-off monster.

5

PASO 5 DE 15

**Cover the second image** with it's "mask".

6

PASO 6 DE 15

**Stamp another monster peeking up**, from behind the 2 masked-off monsters, then cover with it's "mask".

This "**masking technique**" is how you create your dimensional, layered look, stamping the images you want at the front **first**, then masking those off before stamping the images you want to appear "behind".

7

## PASO 7 DE 15

**Using the techniques from the previous steps**, continue to stamp and cover your images with the "masks", until you have covered the white card with your stamped monsters.

NB: You only have to "mask off" the images you want the next image to appear behind, so you can move your masks around and re-use them, as many times as required.

8

## PASO 8 DE 15

**Remove all your masks and voila...**a fabulous array of cheeky monsters!!

9

## PASO 9 DE 15

**Adhere this on to the black card cut to 8 1/4 x 3 3/4"**, so the top and bottom edges are flush and there is an equal amount of black card visible down the left and right side. Pop to one side.

10

## PASO 10 DE 15

**Stamp one of the cheeky monsters on to a piece of white card and use the coordinating die to cut it out.**

11

## PASO 11 DE 15

**Paint with your neon watercolour paints.**

12

## PASO 12 DE 15

**Stamp the sentiment in Midnight, to the right of the white card cut to 3 3/4 x 1", then adhere to the black card cut to 3 3/4 x 1 1/4", as seen here.**

13

PASO 13 DE 15

**Adhere across the bottom third** of your stamped card.

14

PASO 14 DE 15

**Adhere this to your DL card so the top and bottom are flush** and there is an equal amount of white card visible, down the left and right side.

15

PASO 15 DE 15

**Use foam pads to adhere your monster** to the left of the stamped sentiment, to finish.
