PASO A PASO

PASO 1 DE 11

Use the Butterfly nesting die to cut a square approximately 5 x 5", from white cardstock.

2

PASO 2 DE 11

Ink up the solid stamp from It's Your Day, with the Sherbet and Bittersweet inks. Spritz the stamp with water and using the detailed stamp as a positional guide, stamp the florals on to the die cut square.

3

PASO 3 DE 11

Stamp the detailed lamination stamp, in Midnight, on top of your stamped florals.

TIP: If you do not feel confident enough, to position the florals correctly, stamp the detailed image first and then line up and stamp the florals on top.

4

PASO 4 DE 11

Use inks to paint her top, in your preferred colour.

PASO 5 DE 11

Stamp the sentiment in Midnight, so it curves around her hair, as seen here.

PASO 6 DE 11

Die cut a black card mat, using the next die up, in the nesting die set.

PASO 7 DE 11

Mat your artwork on to the black mat and pop to one side.

8

PASO 8 DE 11

Trim a piece of white card measuring 6 1/4" square.

Using the same technique as above, create a background around the edges of the card, using the Sherbet and Bittersweet inks with the solid lamination stamp.

9

PASO 9 DE 11

Mat your background on to black card cut to 6 1/2" square and then on to the front of your 7 x 7" white card blank.

10

PASO 10 DE 11

Affix your layered artwork to the front of your card.

11

PASO 11 DE 11

Finally, use the Sticks to add a touch of sparkle in her hair.
