PASO A PASO

PASO 1 DE 9

Tear a decorative sheet from the Bokeh paper pad creating a panel that looks like this... 8" across and as deep as you prefer.

PASO 2 DE 9

Adhere to your white, landscape card blank.

PASO 3 DE 9

Position one of the circular Imala stencils so the top is just peeking above the torn paper. Blend out with Hickory Smoke, to create a gentle hue for your "Moon".

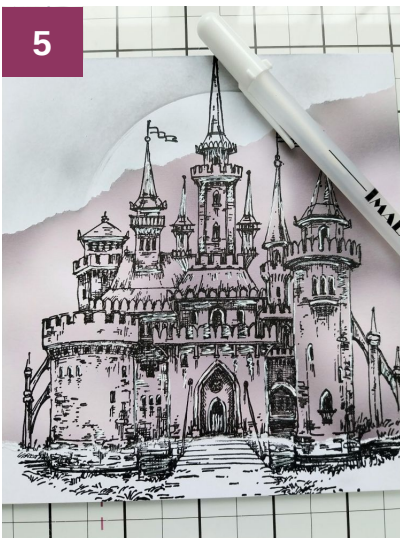

4

PASO 4 DE 9

Stamp your Wonderland with the Midnight ink, down the right side of your card.

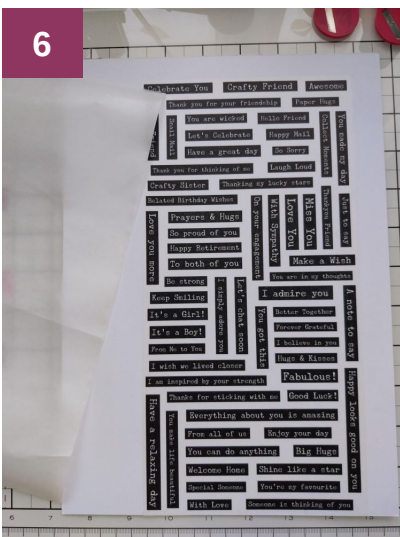

5

PASO 5 DE 9

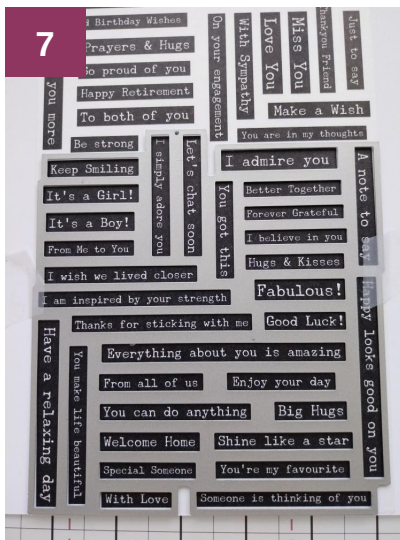

Add accents and highlights with your white gel pen.

6

PASO 6 DE 9

Using the dies as a guide, cut ONE drop from the typewriter washi roll. Lift up the backing sheet along one end of the tape and adhere across the top of an A4 sheet of white card. Slowly peel away the backing, as you use your hand to smooth the washi tape down on to the card. Once the backing has been fully removed, you can burnish the washi to ensure there are no air bubbles or creases.

PASO 7 DE 9

Line up the first die and secure with low tack tape before running it through your machine.

PASO 8 DE 9

Line up the second die and run it through your machine.

Pop out all the sentiments, pick out the one you are using for this project and keep the rest in a tub for future projects.

PASO 9 DE 9

Adhere your chosen washi tape sentiments, to complete your card.
