PASO A PASO

PASO 1 DE 11

Cut a piece of white card same size as the floral stencils and secure stencil 1 in place.

**PASO 2 DE 11**

Blend your chosen coloured inks through stencil 1. Remove and line up each of the numbered stencils in order and blend with your inks, as required.

**PASO 3 DE 11**

Use the coordinating dies to cut them out.

**PASO 4 DE 11**

Cut another piece of white card same size as the vase stencils, then secure stencil 1 in place.

PASO 5 DE 11

Blend your chosen inks through stencil 1 (you might as well do both vases, even though we are only using one for this card). Line up each stencil in number order and blend with your inks. I chose to use ONE ink pad for each vase, building up the intensity of the colour as I moved through each layer.

PASO 6 DE 11

Die cut your vases and pop the taller one away for another project. Set aside the smaller vase.

PASO 7 DE 11

Use the smaller vase die to cut TWO panels, from white card. Score across the top of **ONE** and apply red liner tape above the score line.

PASO 8 DE 11

Line up and adhere the TWO panels together to create your vase-shaped card blank.

PASO 9 DE 11

Position your chosen die-cut flowers through the die cut "slit", in the top of the inked vase die-cut. I secured the flowers in place with tape, on the reverse of the vase.

PASO 10 DE 11

Adhere your inked vase and flowers onto your shaped card blank.

11

PASO 11 DE 11

Place the embossed sentiment die onto a scrap of white card and run through your machine.

Adhere to the bottom right with a foam pad, to complete your project.
