PASO A PASO

1

PASO 1 DE 8

Having taken out the pink sheet with birds, from the paper pad, tear around the edges so it fits on to the front of your card blank. Adhere with wet glue and set this to one side to dry.

2

PASO 2 DE 8

Tear out a sheet of the pink wood panel from the paper pad. Tape both frame dies, from the Possibility stamp and die set, on to the paper and run through your die cutting machine.

3

PASO 3 DE 8

Adhere both of the paper die cut frames together, with wet glue, to create your frame. Use the Iced Spruce Distress Oxide ink pad to ink around the edges of the frame.

4

PASO 4 DE 8

Using your frame as a guide, decide where you need to stamp your sentiment, so it sits to the left of where your frame will be. Ink up the sentiment stamp in the Smoky Grey Versafine ink and stamp in the appropriate place.

5

PASO 5 DE 8

Adhere your die cut frame in place using either wet glue or foam pads.

6

PASO 6 DE 8

Using the floral dies, from the Possibility set, cut out 2 flowers from the 5x5" white cardstock. You can either do 2 small flowers or one small and one big one. Pop a drop of the Izink Opal Frost Pigment on to a craft or glass mat. Use this to colour in your die cut flowers.

7

PASO 7 DE 8

Adhere your 2 die cut flowers in place. One fits exactly, on the left side of the die cut frame. Adhere the second one to the bottom right of the frame and card blank front, using either wet glue or foam pads, to add more dimension.

8

PASO 8 DE 8

Add sequins around the flowers and frame, as desired and finally, use your clear overlay Gossip Sparkle pen to add a hit of sparkle. I added it to the flowers, leaves and birds.
