PASO A PASO

1

PASO 1 DE 17

Place your gift bag inside your Eureka 101, positioned so you can stamp on the top left corner. It doesn't affect the stamping capability if you allow the bag to hang outside of the stamping area.

Tip: I place a piece of card inside the bag, to give me a smoother, firmer base on which to stamp.

Ink up the stamp from the Beautiful Birthday Stamp Collection, with the Onyx Black Versafine.

Stamp off the top left corner of your gift bag.

2

PASO 2 DE 17

Move your gift bag up, in your Eureka 101, so you can stamp on the bottom.

Ink up the same stamp again, with the Versafine, and stamp it coming up from the bottom right hand edge of your kraft bag.

Keep the card inside the bag, and dry off the Versafine before proceeding to the next step.

3

PASO 3 DE 17

Apply some of the Izink Pigments on to your craft or glass mat.

Add some water and use a paint brush to paint your stamped images.

4

PASO 4 DE 17

Once all the ink is completely dry, use a white gel pen to add accents and highlights to the stamped images.

5

PASO 5 DE 17

Use a black pen to draw a decorative frame around your gift bag.

6

PASO 6 DE 17

Choose 2 coordinating papers from the Subtle Tranquility 8 x 8" paper pad.

Tear one in to a strip 7 1/4 x 4 1/2" and the other to 7 x 1 3/4".

7

PASO 7 DE 17

Also from the pad cut out one of the border strips, a tag and a postcard.

Roughen up the edges using the side of your scissors

8

PASO 8 DE 17

Ink up the sentiment stamp, from the Beautiful Birthday stamp set, with the Onyx Black Versafine.

Stamp in the bottom right corner of your largest piece of torn paper.

9

PASO 9 DE 17

Once the sentiment is dry, adhere this on to the front, top right hand side, of your stamped gift bag.

10

PASO 10 DE 17

Adhere the other strip of paper, with the Postcard tucked underneath, as shown here.

11

PASO 11 DE 17

Adhere the cut out border paper on top of your paper elements, as shown.

12

PASO 12 DE 17

Ink up the foliage stamp, from the Beautiful Birthday Stamp Collection, with the Versafine, and stamp on to the tag that you cut out earlier.

Add a little of the Izink Pigments on to your craft or glass mat, add a little water and use your paint brush to colour the foliage in.

Use a hole punch to create a hole in the top of your tag.

13

PASO 13 DE 17

Tie Bakers Twine through the punched hole.

14

PASO 14 DE 17

Adhere the tag in place, on top of your decorative paper elements, as shown here.

15

PASO 15 DE 17

Add sequins on, around and tucked under, your decorative paper elements.

16

PASO 16 DE 17

Add sequins around the floral stamped image, at the bottom of your gift bag.

17

PASO 17 DE 17

Add sequins to the floral element, top left of your bag.
