PASO A PASO

PASO 1 DE 24

Use your blending brush/tool to blend the Izink Dye inks, down the left hand side of the white card blank. The colour should be darker down the side, fading out half way across the card blank.

2

PASO 2 DE 24

Use your paint brush to splatter water over the ink. Wait a few seconds then lift up the ink with a paper towel.

3

PASO 3 DE 24

Blend the Izink Mer Du Sud randomly through the Coffee Stains stencil, over the inked area.
Set your card to one side to dry.

4

PASO 4 DE 24

Ink up the large flower stamp, from the Beautiful Birthday Stamp Collection, with the Onyx Black Versafine.
Stamp on to your masking sheet, copier paper or acetate sheet.
Once ink is dry, cut out the flower.

PASO 5 DE 24

Ink up the same stamp again, with the Versafine, and stamp off the bottom left hand edge of your inked card blank.

PASO 6 DE 24

Place the mask you made, over your stamped image, securing it in place with the bar magnet.

PASO 7 DE 24

Ink up the same stamp again, and stamp just above the first image, but so it slightly overlaps on to the masking sheet.
Keep the mask in place.

PASO 8 DE 24

Ink up a foliage stamp, from the same set, with the Versafine.
Stamp it coming out from the bottom right of the masked floral image.

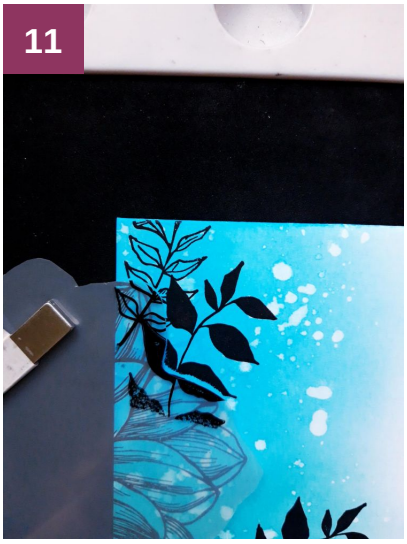
PASO 9 DE 24

Ink up the silhouette foliage stamp, from the same set, with the Versafine, and stamp it coming out from the top of the same masked off stamped flower.

PASO 10 DE 24

Carefully remove the mask and dry off the ink.
Place the mask over the other stamped floral image, and secure with bar magnet.

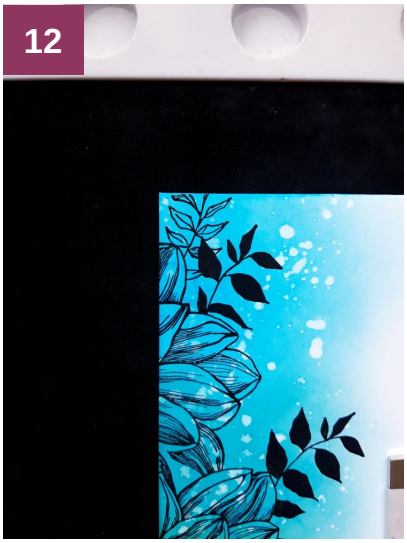
11



PASO 11 DE 24

Ink up the open foliage stamp from the same set, with the Versafine, and stamp coming up from the top of the masked off flower.
Ink up the silhouette foliage stamp with the Versafine, and stamp so it slightly overlaps the other stamped foliage.

12



PASO 12 DE 24

Remove mask, and dry off all your artwork.

13

PASO 13 DE 24

Ink up the sentiment from the same set, with the Versafine, and stamp bottom right of your artwork.

14

PASO 14 DE 24

Use a white gel pen to add accents and highlights to your artwork. Set your card to one side.

15

PASO 15 DE 24

Blend the three Izink Dye ink pads, coming from the left hand side, on to the front of your coordinating, white envelope, as you did in Step 1.

16

PASO 16 DE 24

Splatter water droplets on to the ink, wait a few seconds, then lift up the ink with a paper towel.

17

PASO 17 DE 24

Blend the Izink Mer Du Sud randomly through the Coffee Stains stencil, on to your inked panel.

18

PASO 18 DE 24

Ink up the large floral stamp again, with the Versafine, and stamp coming up from the bottom left hand corner of the envelope.

19

PASO 19 DE 24

Place your mask over the dried stamped image, securing it with the bar magnet.

PASO 20 DE 24

Ink up the foliage stamps, as shown here, with the Versafine, and stamp as required.

PASO 21 DE 24

Remove the mask, and dry off the artwork.

PASO 22 DE 24

Use your white gel pen to add accents, and highlights, to your dried artwork.

PASO 23 DE 24

Ink up a stamp from the Retro Stamp Collection, with the Versafine, and stamp coming off the top right hand side of the envelope.

PASO 24 DE 24

Turn the envelope over, with the flap down.
Ink up the Retro stamp again, or one of the others in the same set, and stamp across the closed flap.
