Eureka 101

Masking sheet or copy paper

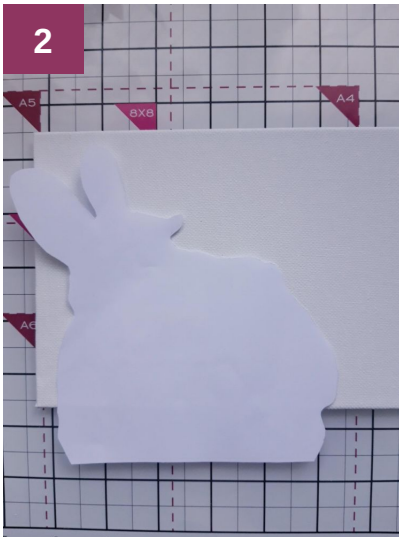

PASO A PASO

PASO 1 DE 10

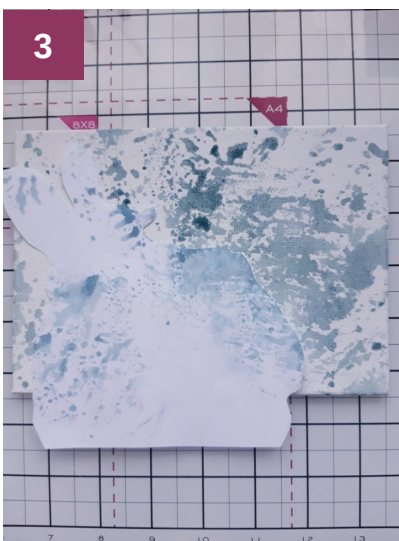

Ink up the Furry Friends stamp with the Versafine and stamp on to your masking sheet, or on a piece of copy paper.

Cut it out to create a "mask".

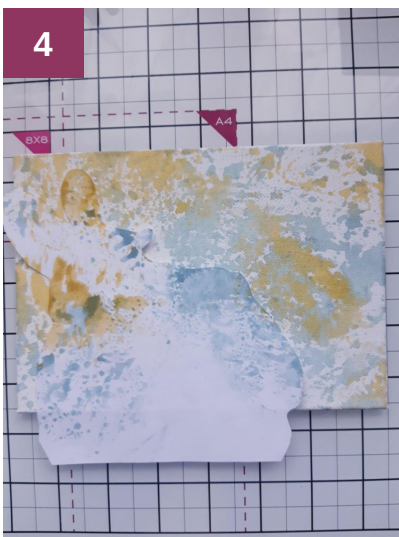

PASO 2 DE 10

Place your mask just off the left edge of your canvas board.
(If easier, you can place the canvas board inside your Eureka 101 and secure the mask in place with your magnet).

PASO 3 DE 10

Lightly spray the Izink Morning Mist over your masked-off canvas board.

PASO 4 DE 10

Spray the Izink Butterscotch on to your canvas, as required.
Give the inks a quick blast to speed up the drying process, leaving the mask in situ.

PASO 5 DE 10

Ink the Imala Rose Ornament with the Versafine and stamp coming in from the top right corner of your canvas. Give it a quick blast with your heat tool.

PASO 6 DE 10

Using a paint brush, spray the Izink Morning Mist and Butterscotch, on to your glass mat, add a little water and paint your stamped florals.

PASO 7 DE 10

You can now remove your mask and blast off your artwork with your heat tool.

PASO 8 DE 10

Ink up Furry Friends with the Versafine and stamp within the masked off area.

PASO 9 DE 10

Smoosh the Iced Spruce Oxide on to your glass mat, add a little water and paint your stamped image. You can use the Izink Morning Mist to add shadows as required.

PASO 10 DE 10

Once your artwork is completely dry, finish by adding accents and highlights with your white gel pen.
