Distress Oxide Ink pad: Hickory Smoke

Sequins: Whisper

Gem pick up and pokey tool

Eureka 101 Watercolour Tablet

SBM Magnetic glass mat

Paper Trimmer

Perfect Together Glue

Foam pads

Die Cutting machine

PASO A PASO

PASO 1 DE 9

Place stencil 1 from the Quattro D Collection, on a piece of white cardstock cut slightly larger than the stencil. Softly spray the Izink Morning Mist from the left hand side, through the stencil

Line up stencil 2 and use your spot blending tool to apply a soft blend of Hickory Smoke Oxide, from left to right, loosing pressure as the brush travels.

PASO 2 DE 9

Having lined up stencil 3, blend with the Izink Metal Silver, to achieve your final stencilled detail.

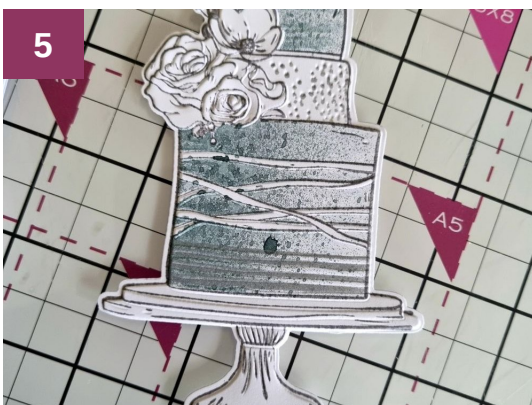

PASO 3 DE 9

Ink up the coordinating stamp with the Versafine and stamp over your stencilled image.

PASO 4 DE 9

Use the coordinating die to cut out your beautiful artwork.

PASO 5 DE 9

Line up the die cut, 3D element in the coordinating embossing folder and run it through your embossing machine.

Set to one side.

PASO 6 DE 9

Trim a piece of white card to 4 1/2 x 6 1/2" and place in the same embossing folder, at an angle so only the top right corner is captured. Run it through your machine, then set to one side.

PASO 7 DE 9

Using white card, die cut 7 or 8 of the "special" and "birthday" sentiments, found in the Quattro D Collection. On a piece of card no shorter than 4 1/2" wide and sufficient to hold 3 rows of your die cut sentiments, start adhering your sentiments edge to edge, to cover the card and allowing for overhang. Once you have adhered 3 rows, trim off any excess overhang and uncovered cardstock. Mat this on to a piece of white card 4 1/2 x 2".

PASO 8 DE 9

Adhere the sentiment banner across the bottom third of your embossed background, then adhere using foam pads, on to your card blank.

PASO 9 DE 9

Adhere your 3D cake element using foam pads and finish by adding the beautiful Whisper sequins.
