PASO A PASO

1

PASO 1 DE 9

Place the 5 1/2" white, square cardstock inside your embossing folder and run it through your machine.

2

PASO 2 DE 9

Remove this gorgeous vellum from the Classic Celebration Vellum pack.

3

PASO 3 DE 9

Tear a panel of vellum, as wide as you wish and fold about a cm over, at the top. Place inside the embossing folder, slightly to the left and run it through your embossing folder.

Tip: Look at the photo in the next step, so you can see what you're aiming for and where you want to place your panel, within the folder.

4

PASO 4 DE 9

Line up your embossed vellum with the embossed card. Tuck the top and bottom ends over the card and adhere on the reverse with double sided tape or a tape runner.

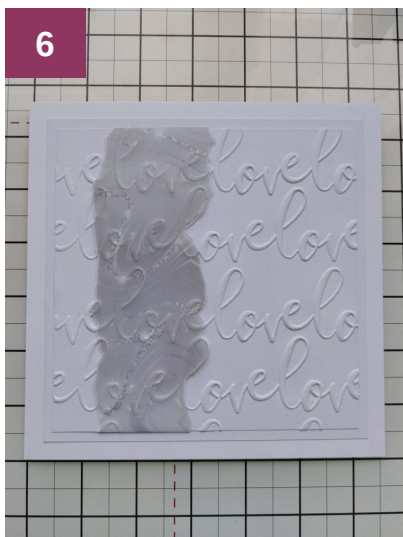

5

PASO 5 DE 9

Adhere this on to the white card cut to 5 3/4" square.

6

PASO 6 DE 9

Adhere this on to your white card blank.

PASO 7 DE 9

Stamp a selection of florals and foliage from Let's Celebrate, with the Midnight hybrid ink, on to a piece of white card. Use the coordinating dies to cut them out, before colouring in with your Gossip alcohol pens. Pop a sheet of copy paper or scrap card underneath, to prevent the ink bleeding through the card and damaging your work surface.

PASO 8 DE 9

Use a combination of wet glue and foam pads to adhere your 3D elements around the bottom left corner of your card.

PASO 9 DE 9

To finish, add sequins on, around and tucked just under your 3D elements.
