PASO A PASO

1

PASO 1 DE 11

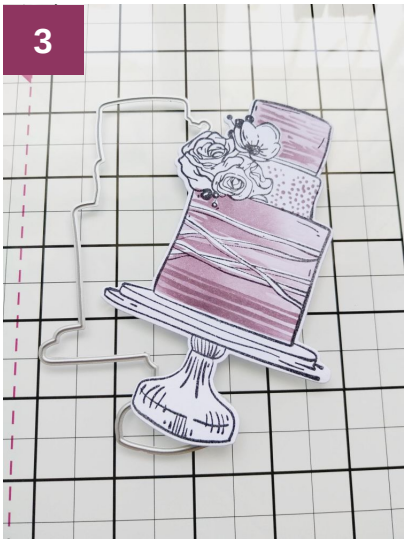
Place stencil 1, from the Quattro D Collection, on to the white card cut to 6 x 4". Lightly blend the Heather dye ink through the stencil, with your blending tool.
Line up stencil 2 and blend again with the Heather but with a bit more pressure. Finally, line up stencil 3 and go back in with the Heather but with more pressure and loaded ink, to get a deeper tone of colour.

2

PASO 2 DE 11

Stamp the detailed stamp over your stencilled image, with the Midnight hybrid ink pad.

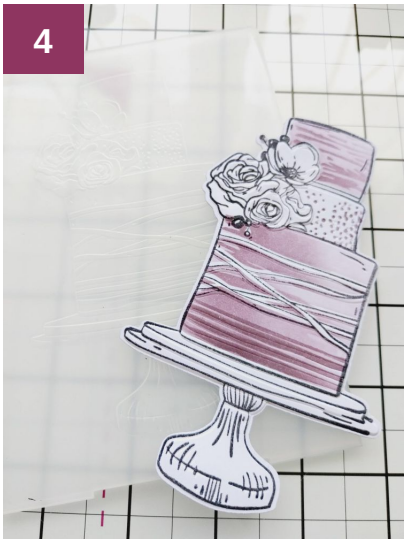
3



PASO 3 DE 11

Use the coordinating die to cut out your element.

4



PASO 4 DE 11

Place the die cut cake inside the embossing folder, run it through your machine, then pop it to one side.

5

PASO 5 DE 11

Ink up the debossed side of your Carnival folder, with the Iced Spruce Oxide and spritz with water.
Place the white card, trimmed to 6 1/2 x 4 1/4", inside the folder, inked side on the top and run it through your machine.

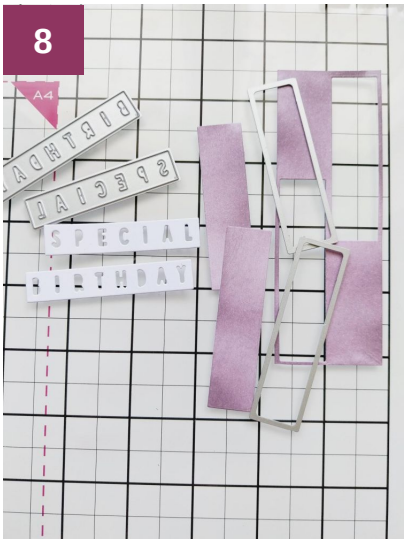
6

PASO 6 DE 11

Blend the edges of the white card, trimmed to 6 3/4 x 4 1/2", with Heather.

PASO 7 DE 11

Adhere your embossed card on to the blended card and then on to your card blank, then pop to one side.



PASO 8 DE 11

Cut a piece of white card and place the "Special Birthday" detailed dies on top.
Cut a piece of white card, big enough to fit the 2 layering dies, ink the card with Heather, then place the dies on top and run them all through your machine.

PASO 9 DE 11

Adhere the detailed sentiment die cuts on top of the die cut layers.

10

PASO 10 DE 11

Adhere the sentiments, with foam pads, to the front of your card.

11

PASO 11 DE 11

Finish off with a touch of sparkle, where required, using your Gossip clear sparkle pen.
