PASO A PASO

PASO 1 DE 10

Die cut TWO 6" circles from the kraft card. Score ONE across, about 1cm down from edge and put red liner tape ABOVE the score line. Trim off a sliver from the bottom of this one, to allow your card blank to stand up!

PASO 2 DE 10

Remove the backing from the tape and adhere the 2 circles to create your card blank.

PASO 3 DE 10

Remove these decorative sheets from the Floral Romance paper pack. Use your circle nesting dies to die cut the "abstract triangle paper to 5 1/2" diameter, the Poppy paper to 4 1/2" and to cut out the Hello Sunshine circle sentiment.

**PASO 4 DE 10**

Use your blending tool to ink around the edges with the Iced Spruce Oxide.

**PASO 5 DE 10**

Adhere the abstract paper on to your kraft card blank, then the Poppy paper flush with the top left edge, as seen here.

**PASO 6 DE 10**

Adhere the sentiment topper, with foam pads, to the bottom right of the Poppy paper.
Set your card to one side.

7

PASO 7 DE 10

Stamp these floral and foliage images on to white card, using the Archival Shadow Grey ink pad.
Die cut with the coordinating dies.

8

PASO 8 DE 10

Use foam pads to adhere your 3D elements around the right curve of the papers.

9

PASO 9 DE 10

Use the Stickles to add a touch of sparkle to your Poppy.

10

PASO 10 DE 10

Finish by adding pearl drops around your 3D elements, where required.
