PASO A PASO

1

PASO 1 DE 12

Remove this beautiful paper from the 12 x 12" paper pack and trim to 6" square, so the large Poinsettia is in the top left corner.

2

PASO 2 DE 12

Take this gorgeous vellum sheet from the vellum pack and tear around this printed, corner floral image.

3

PASO 3 DE 12

Place the torn vellum across the bottom of the patterned paper, tuck any excess vellum over the edges of the paper and secure on the reverse.

4

PASO 4 DE 12

Adhere to the 6 1/4" square kraft card.

5

PASO 5 DE 12

Adhere on to your 7 x 7" white card blank and set to one side.

6

PASO 6 DE 12

Place stencil 1, from the Quattro D collection, on to white card and use your inks to blend through as required. Line up stencil 2, using the hearts as a guide if needed and blend with the inks, swapping the colour combinations. Repeat with stencil 3. I used the Tattered Rose for the "skin" and the Lost Shadow for the shoes, but the combination of colours is up to you!

7

PASO 7 DE 12

Stamp over your stencilled images with the coordinating stamp, using the Midnight ink.

8

PASO 8 DE 12

Line up each of the coordinating dies, securing with low tack tape and run through your embossing machine.

TIP: Whilst you can die cut all 3 at the same time, I prefer to die cut the 2 outer ones in 1 pass and the middle one on it's own.

9

PASO 9 DE 12

Use the coordinating embossing folder to emboss each Gnome.

Again, you can emboss all of them at the same time, securing them with low tack tape but I personally find it quicker and safer, to emboss each one separately.

10

PASO 10 DE 12

Use a combination of wet glue and foam pads to adhere your Gnomes in the bottom, right corner your card.

11

PASO 11 DE 12

Use a circle die to die cut one of the circle sentiments from the Embellishment pack. Fussy cut a selection of Poinsettias from the same pack, then adhere to the left of your Gnomes with a combination of wet glue and foam pads.

12

PASO 12 DE 12

To finish, use the Stickles to add a touch of sparkle to the centres of all the floral images and 3D elements and around the edge of your circle sentiment.
