PASO A PASO

1

PASO 1 DE 12

Remove this beautiful decorative paper from the Happy Haunting Collection and trim to 4 1/2 x 5 1/2".

2

PASO 2 DE 12

Place the Moonlight stencil in the top left corner and blend the Indigo ink coming away from the stencil, to create your Moon.

3

PASO 3 DE 12

Stamp the bats, from the Trick or Treat set, flying across the Moon, with your Midnight Hybrid ink.

4

PASO 4 DE 12

Ink up our enchanting children with the Midnight ink and stamp just the top half of the image, along the bottom of the paper, omitting the "reflective element of the design.

5

PASO 5 DE 12

Stamp your bewitching witches flying across the sky, from the Creep It Real set.

6

PASO 6 DE 12

Once the Midnight ink is completely dry, use your white Imala gel pen to add accents and highlights to your stamped images.

PASO 7 DE 12

Remove the protective clear film from your acetate shaker window, before using your bone folder to burnish along the scored lines.

PASO 8 DE 12

Place your stamped background face down in the acetate window, then peel of the backing tape and seal **THREE** sides of the window, leaving the top side open, to create a "pocket".

Pour your sequins inside the acetate "pocket", before sealing up the fourth side, to create your shaker element.

PASO 9 DE 12

Apply red liner tape to the back of your acetate window.

10

PASO 10 DE 12

Adhere your shaker to the front of your white card blank, which should be the same size, thus creating an "infinity" shaker card.

11

PASO 11 DE 12

Stamp your sentiment on to a piece of white card and trim as desired. Adhere on to a piece of black cardstock and trim to create a "mat".

12

PASO 12 DE 12

Adhere to the front of your shaker card with the red liner tape, to finish.
