PASO A PASO

PASO 1 DE 15

Place the window die on a piece of black card and run it through your die cutting machine.

PASO 2 DE 15

Gently swipe your Cotton ink pad around the window, to achieve a distressed effect. Blast dry with a heat tool, as pigment ink will smudge and is slow drying.

PASO 3 DE 15

Trim this painted mount from the Winter Magic set, so it will fit behind your window.

4

PASO 4 DE 15

Place circle mask just above the skyline and use your blending brush to blend the Lost Shadow away from the mask, thus creating a rising Moon effect.

5

PASO 5 DE 15

Pop a little Cotton ink on to your glass mat, spritz with water and splatter on to your artwork. Dry thoroughly with your heat tool.

6

PASO 6 DE 15

Stamp the bats, from the Trick or Treat stamp set, with the Midnight ink, where required. Blast dry with the heat gun.

7

PASO 7 DE 15

Adhere the window die on top of your painted mount and set to one side.

8

PASO 8 DE 15

Tear this decorative paper from the Paperchain Cotton Breeze paper pack, so it's slightly smaller than your kraft card blank.

9

PASO 9 DE 15

Tear a panel, from this coordinating paper and adhere down the left side.

10

PASO 10 DE 15

Adhere to your card blank.

11

PASO 11 DE 15

Adhere your die cut window element just to the top right of your card and pop aside.

12

PASO 12 DE 15

Fussy cut a selection of floral elements from another sheet of the coordinating papers.

13

PASO 13 DE 15

Mould the florals with your fingers before adhering on, around and tucked just behind, your window.

14

PASO 14 DE 15

Cut out the sentiment tab, from the Cotton Pines sentiment sheet and adhere across the bottom right floral element.

15

PASO 15 DE 15

Use your Stickles to add a touch of festive sparkle to your finished project.
