PASO A PASO

1

PASO 1 DE 12

Remove this beautiful painted mount from the Magical Elegance pack.

2

PASO 2 DE 12

Use the Honeycomb stencil and Lost Shadow Oxide to randomly add stencilled elements to the mount.

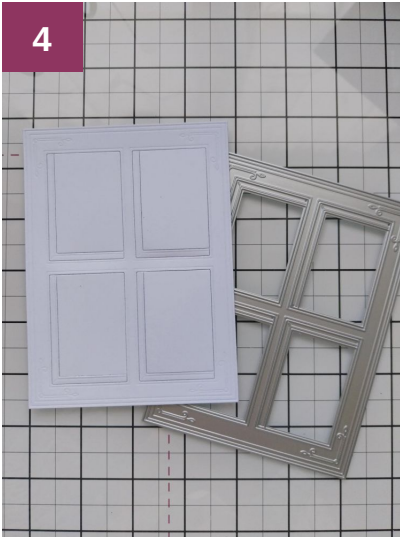

3

PASO 3 DE 12

Apply the Oxide on to your glass mat, add a little water and splatter over your artwork, with a paint brush. Blast dry with your heat tool.

4

PASO 4 DE 12

Die cut the Beautiful Window Die from white cardstock, keeping all pieces intact by applying double-side tape on the reverse.

5

PASO 5 DE 12

Die cut the window again, but this time out of the painted mount, keeping all elements intact as before. Set the aperture frame painted mount to one side.

6

PASO 6 DE 12

Adhere the painted mount die cut window on top of the white window, ensuring all edges are completely flush and neat.

7

PASO 7 DE 12

Place your 3D window back inside the painted mount aperture, set aside earlier. You can secure the elements on the reverse allowing your "eclipse" window to stand proud.

Tip: If you want more dimension to your eclipse window, you can die cut several windows from white card, always ensuring that when adhered together, all edges must be flush and neat, enabling it to fit snugly back in to the aperture.

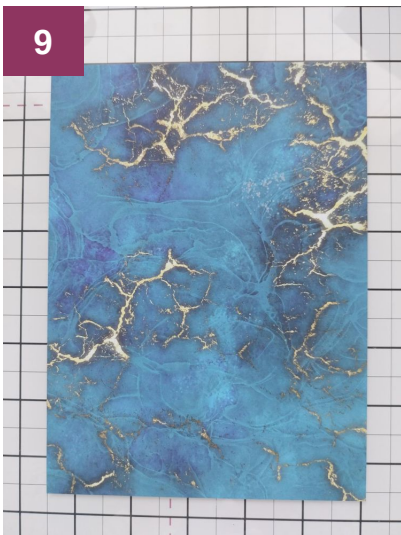

8

PASO 8 DE 12

Stamp the sentiment to the left, below the window, in the Midnight ink.

9

PASO 9 DE 12

Trim this beautiful paper from the Magical Elegance foundation pack, to 7 1/2 x 5 1/2".

10

PASO 10 DE 12

Adhere your artwork on to the decorative paper.

11

PASO 11 DE 12

Adhere this on to the front of your white card blank.

12

PASO 12 DE 12

Use your Stickles to add a touch of sparkle and glitter to your artwork where required, to finish your project.
