PASO A PASO

PASO 1 DE 11

Swipe the Worn Lipstick ink pad over the DEBOSSED side of the Autumn embossing folder and spritz lightly with water.
Place this beautiful painted mount, from the Changing Seasons pack, inside the folder so the leaves are coming down the top left side of the mount.

PASO 2 DE 11

Run through your die machine. You can go in and blend more of the ink around the top edges of the card, as shown here.

PASO 3 DE 11

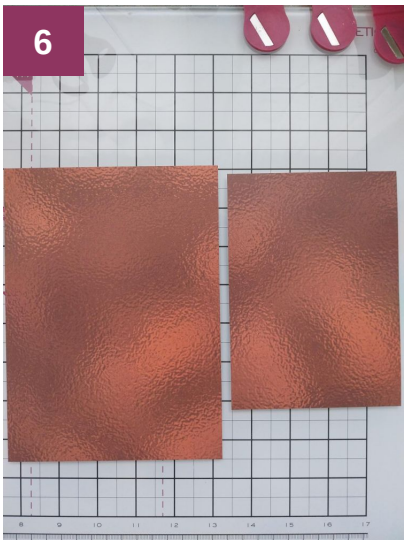
Randomly swipe the Fossilized Amber ink pad around areas of the debossed image.

PASO 4 DE 11

Go back in and randomly swipe the Walnut Stain ink pad around the image, making the debossed leaves "pop". Set to one side to dry.

PASO 5 DE 11

Trim white card to 7 1/4 x 5 1/4", place inside the embossing folder and run it through your machine. You can choose whether to use the embossed or debossed side, for your background.



PASO 6 DE 11

Remove TWO of these patterned sheets from the Copper paper pad. Trim one to 7 1/2 x 5 1/2"and one 6 x 4 1/4".

PASO 7 DE 11

Adhere the embossed mount and embossed background on to their paper mats.

8

PASO 8 DE 11

Adhere to the front of your card blank and pop to one side.

9

PASO 9 DE 11

Using the "Love Ya" dies, cut the detailed die from white card and the outline die from the decorative paper left over earlier.

10

PASO 10 DE 11

Adhere to the top right of your artwork, with foam pads.

PASO 11 DE 11

Use the Stickles to add a touch of sparkle to your artwork.
