PASO A PASO

1

PASO 1 DE 6

Stamp the passport and camera on to copy paper and fussy cut, to create "masks".
Lay out the masks as required, on to white card cut to 5 1/2" square. Stamp the suitcase centrally, over the masks, in the Memento, as shown here.

2

PASO 2 DE 6

Remove the passport "mask" and stamp it in position.

3

PASO 3 DE 6

Remove the camera "mask" and stamp that in position.

4

PASO 4 DE 6

Colour in your stamped image, using your alcohol pens, with more depth and darker shading at the back.
Blend around the edges with the Seal Brown. Smoosh a little ink on to your glass mat, add water and splatter on to your artwork.

PASO 5 DE 6

Stamp the arrows and add-on sentiments around your images, with the Memento, as required.
Stamp the sentiments in the panels provided on the camera and passport.

PASO 6 DE 6

Add the stickers provided, over the top of the stamped sentiments.
Mat your artwork on to the black card blank, to finish.
