PASO A PASO

PASO 1 DE 10

Trim a piece of white card to roughly 6 x 5".

Randomly ink both sides of the folder with the Heather ink pad and lightly spritz with water. Place the card inside and run it through your machine.

PASO 2 DE 10

Having inked both sides, you have the option to choose which side you prefer...for this project I chose to use the embossed image.

PASO 3 DE 10

Trim your embossed artwork down to 5 1/2 x 4 1/2".

Use your blending brush to apply Heather around the edges, randomly swiping the ink pad in from the edge of the card, thus creating texture to your artwork.

4

PASO 4 DE 10

Use your blending brush to apply Tiffany over the embossed leafy aspects, of the Autumn frame. Set to one side to dry.

5

PASO 5 DE 10

Tear a panel of vellum from A Winter Story roughly 6" in length and as wide as required, ensuring you leave the centre of the frame uncovered, as you will be stamping a sentiment here. I chose to include the printed Fir Trees within my torn panel.

6

PASO 6 DE 10

Lay your torn panel down the right side of your embossed card. Tuck the ends over the top and bottom and secure on the reverse of the card with double-sided tape.

7

PASO 7 DE 10

Stamp your chosen sentiment in the centre of the Autumn frame.

8

PASO 8 DE 10

Mat your embossed artwork on to black cardstock trimmed to 5 3/4 x 4 3/4" and then on to your kraft card blank.

9

PASO 9 DE 10

Use a black pen to draw your own decorative frame around the black card "mat".

10

PASO 10 DE 10

Randomly add a few sequins to your artwork, to complete your card.
