# PASO A PASO

PASO 1 DE 8

**Choose your design** from the Dusk paper pack.

PASO 2 DE 8

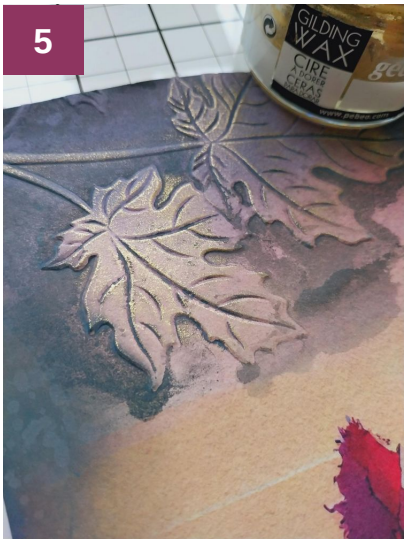
**Wipe the Black Soot ink pad** over the debossed side of the Autumn embossing folder and spritz lightly with water.

PASO 3 DE 8

**Place the printed paper inside the inked folder** so the leaves are coming on to the top left corner. Run it through your embossing machine.

PASO 4 DE 8

**Blend the Black Soot around** the top left corner of the paper. Use your paint brush to add ink under the outer edges of the embossed image, making it "pop" from the paper.



PASO 5 DE 8

**Randomly apply the Gold gilding wax** on the raised, embossed areas of the design. Buff with a soft cloth to enhance the shine.
Tip: When applying gilding wax, use the pad of your middle/ring finger and start off lightly. You can always add more wax but you cannot remove it!!

PASO 6 DE 8

**Add the gilding wax around the edges of your paper** and again, buff with a soft cloth.

PASO 7 DE 8

**Stamp your sentiment with Midnight,** where required.

PASO 8 DE 8

**Finally mat your artwork on to black card** cut to 5 1/2 x 7 1/2" and then on to the front of your Fushia card blank.
