Blending Brush

Paint brush

Eureka 101 Watercolour Tablet

SBM A3 Magnetic glass mat

Paper Trimmer

Glue

PASO A PASO

PASO 1 DE 9

Take 1 of the 4 x 6" Peaceful Moment toppers and place the Peaceful Moment stencil over the top left area. Use your blending tool to lightly apply the Distress inks through the stencil creating a delicate, subtle background. Ensure you "fade out" the ink the further down you go.

2

PASO 2 DE 9

Lightly blend the same colours around the edges of the topper, with more depth of colour at the top and fading it out around the bottom.

3

PASO 3 DE 9

Stamp this beautiful image from the same collection, coming up from the bottom left corner, in the Midnight ink.

4

PASO 4 DE 9

Stamp the sentiment to the right of your stamped image.

PASO 5 DE 9

Smoooth the Distress inks on to your glass mat and use a paintbrush and a little water, to add subtle shading to your stamped artwork.

PASO 6 DE 9

Trim a sheet of the decorative paper to 4 1/4 x 6 1/4" and a coordinating sheet of the vellum to 4 3/4 x 6 3/4".

PASO 7 DE 9

Adhere your stamped topper on to the decorative paper, on to the vellum sheet and finally on to the front of your card blank.

PASO 8 DE 9

Stamp the Butterfly area of the design on to a scrap of coordinating paper, in the Midnight ink.

PASO 9 DE 9

Finally fussy cut the Butterfly before shaping the wings and adhering with glue (applied down the centre only) to your card.
