PASO A PASO

PASO 1 DE 10

Choose your painted mount from the Vintage Bloom pack.
Tear a vellum panel slightly longer than the mount and as wide as you wish.

PASO 2 DE 10

Place inside your embossing folder on the area of the design you wish to pick up. If needs be, you can fold a little vellum over at the top first, as this will be hidden behind the mount anyway.

PASO 3 DE 10

Run through your embossing machine.

PASO 4 DE 10

Wipe over the embossed vellum with an anti-static bag before lightly pouncing the Cotton ink pad over the raised areas. You can use a clear sticky ink but I wanted to intensify the whiteness!

PASO 5 DE 10

Apply white or clear embossing powder over the Cotton ink, brushing off any random bits with a little brush.

PASO 6 DE 10

Get your heat tool really hot before you heat set the powder. Move the tool as soon as the powder starts to turn to avoid burning the vellum.

PASO 7 DE 10

Place down the right side of your painted mount and secure on the reverse with double-sided tape.

PASO 8 DE 10

Mat onto kraft card trimmed to 5 1/4 x 5", leaving an equal amount of kraft card visible down the left and right sides.

PASO 9 DE 10

Stamp your sentiment in Midnight, to the left of the vellum panel.

PASO 10 DE 10

Finally, mat onto your landscape card blank.
