PASO A PASO

PASO 1 DE 12

Lay out your four numbered stencils (A4, A5, A6, etc) in order on your craft mat, positioning them at the edge of your cardstock. Use magnets or tape to hold them in place.

PASO 2 DE 12

Using stencil one and a brush, apply pink ink lightly through the stencil to create the first layer of the magnolia petals on your card base.

[VER ESTE PASO - 41:30](#)

PASO 3 DE 12

Remove the first stencil and position the second numbered stencil. Apply the same pink ink through this stencil, building up slightly darker tones to add dimension to the design.

PASO 4 DE 12

Place the Hazel paper from the folder with the apartment design into the embossing folder. Apply light pressure first, then darker pressure on a second pass to create the embossed pattern.

CONSEJOS DEL PROGRAMA

- The stencils are numbered; always line them up at the edge of your cardstock with the number facing you to avoid mistakes.
- You can use the split stamps to create half-stamp designs down the side or bottom of cards for variety.
- Don't worry about perfect stencil alignment; slight variations add to the hand-painted charm.
