

Sparkly Glitter and Powder Effect on Black Cardstock

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CREATE TOGETHER CLUB - 27 DE ABRIL DE 2023

SOBRE ESTE PROYECTO

Create a festive, eye-catching effect by layering coloured embossing powders with chunky glitter on black cardstock. The combination of metallic gold powder and iridescent glitter creates a dimensional, celebratory finish perfect for special occasion cards. This technique uses heat embossing to build up rich, sparkly layers that catch the light beautifully.

Del programa: Create Together Club

Mostrado: 27 de abril de 2023

El proyecto empieza: 36:30 into the show...

En esta guía: 12 pasos, todos con foto

PASO A PASO

1

PASO 1 DE 12

Cut a piece of black cardstock to your desired size for the card base.

[VER ESTE PASO - 36:30](#)

2

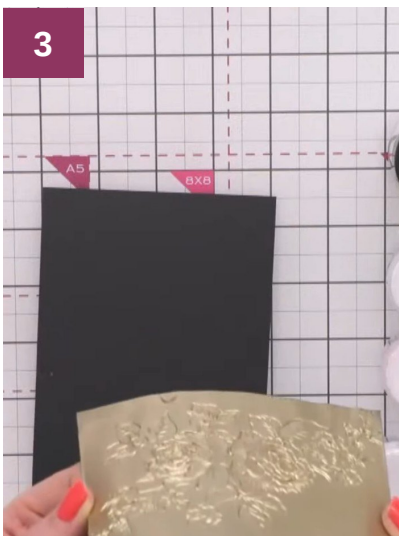

PASO 2 DE 12

Apply WOW embossing ink pad to the black cardstock, covering the surface evenly to create a sticky layer for the embossing powder.

[VER ESTE PASO - 36:45](#)

3

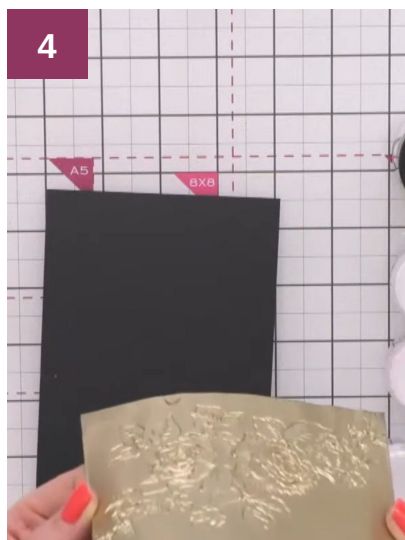

PASO 3 DE 12

Sprinkle thick gold embossing powder generously over the stamped image on the black cardstock. Tap off the excess powder back into the jar.

[VER ESTE PASO - 37:00](#)

4

PASO 4 DE 12

Heat set the gold powder on the cardstock using a heat gun, moving it evenly over the surface until the powder is fully melted and set.

[VER ESTE PASO - 37:15](#)

5

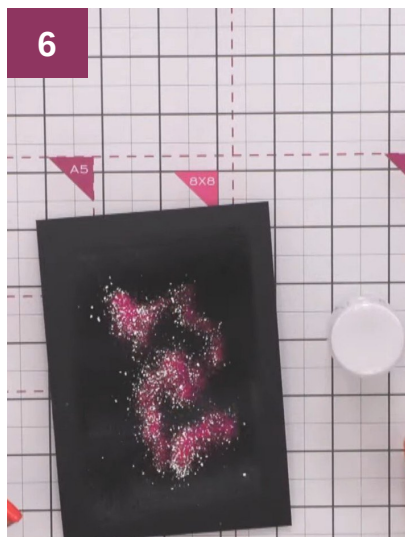

PASO 5 DE 12

Once the embossing powder has cooled completely, apply sticky embossing ink over the embossed design again, ensuring even coverage.

[VER ESTE PASO - 37:45](#)

6

PASO 6 DE 12

Sprinkle coloured embossing powders in pink and teal over scattered areas of the inked surface, creating random patches of colour across the black cardstock.

[VER ESTE PASO - 38:00](#)

7

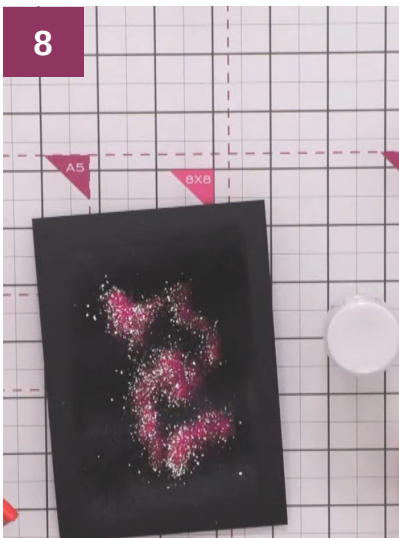

PASO 7 DE 12

Tap off the excess embossing powder from the black cardstock to remove any powder that hasn't stuck to the adhesive.

[VER ESTE PASO - 38:15](#)

8

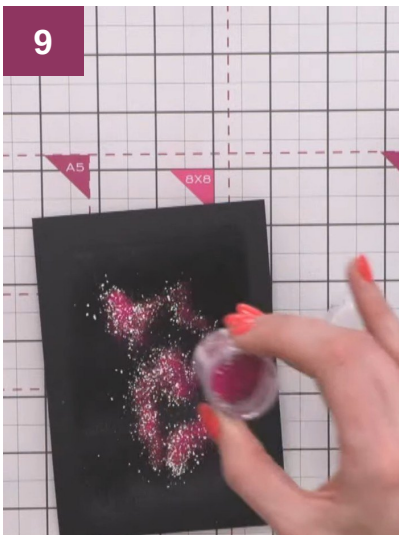

PASO 8 DE 12

Sprinkle chunky glitter over the embossing powder whilst the sticky ink is still wet. The glitter will adhere to the tacky areas, creating a sparkly effect over the powder.

[VER ESTE PASO - 38:30](#)

9

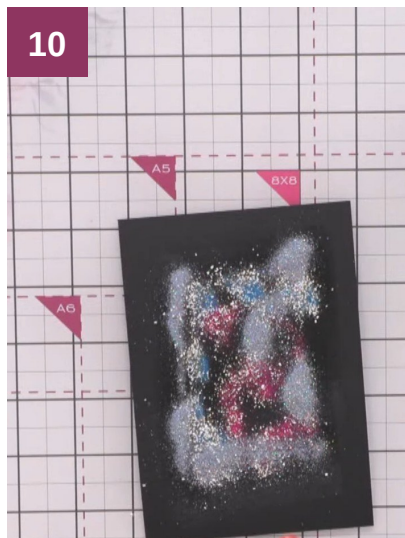

PASO 9 DE 12

Gently tap off the excess glitter from the black cardstock to reveal your design. Hold the card over your craft mat and tap carefully to remove any loose glitter particles.

[VER ESTE PASO - 38:45](#)

10

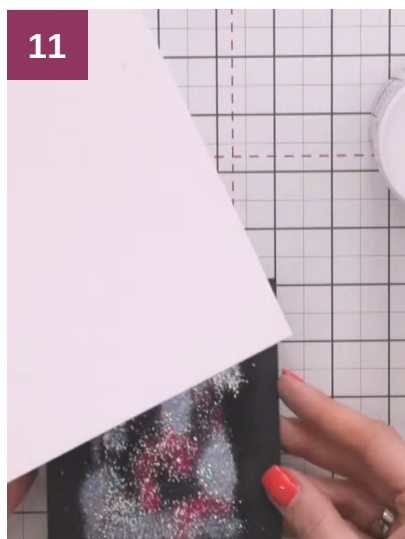

PASO 10 DE 12

Sprinkle gold embossing powder over the entire surface to seal the glitter in place. Ensure even coverage across all the coloured areas.

[VER ESTE PASO - 39:00](#)

11

PASO 11 DE 12

Turn the cardstock over and heat set from underneath using a heat tool. This helps to set the embossing powder and secure the glitter in place.

[VER ESTE PASO - 39:15](#)

12

PASO 12 DE 12

Apply sticky embossing ink to your design again and repeat the layering process with the metallic powders if desired for more depth and sparkle.

[VER ESTE PASO - 40:00](#)

CONSEJOS DEL PROGRAMA

- Heat from underneath the cardstock when using glitter to help it stay embedded in the powder.
- Tap off excess glitter gently to avoid losing too much of the sparkly effect.
- Layer multiple colours of embossing powder in a salt-and-pepper technique for a more interesting finish.
