UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CREATE AND CRAFT BIRTHDAY EVENT - 17 DE ABRIL DE 2023

SOBRE ESTE PROYECTO

Create a beautiful spring card featuring elegant stamped daffodils with a striking black halo effect. This design combines yellow floral patterned paper with silver embossed daffodil stamps and gold washi tape trim for a sophisticated, cheerful finish. The technique involves heat embossing and layering to create depth and visual interest.

PASO 1 DE 6

PASO 2 DE 6

Using a blending brush with black ink, add a halo effect around the edges of the stamped daffodils. Gently brush the ink outwards from the flower images to create a soft shadow effect.

PASO 3 DE 6

Use a gel pen to add sparkle and detail to any areas of the stamped flowers where detail has been lost during stamping. Work over the flower petals and centres to enhance the definition.

CONSEJOS DEL PROGRAMA

- You don't have to colour the daffodils if you're not confident as a colourist; simply adding a halo effect creates a lovely finished look.
- The uncoated paper from the collection carries ink beautifully and blends well for creating halos.
- You can use strips and spots papers from the collection to break up pattern and create matten layers.
