

Garden Scene Card with Hanging Baskets and Pattern Paper

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - HSN PRODUCT INSPIRATION - 20 DE OCTUBRE DE 2026

SOBRE ESTE PROYECTO

Create a charming garden scene card featuring hanging baskets suspended from an archway adorned with climbing roses. This dimensional design uses patterned papers in soft greens, pinks and browns to build a romantic garden pathway, with die-cut hanging baskets layered at different heights to add depth and perspective. The finished card combines stamping, die-cutting and paper layering techniques to achieve a beautiful vintage garden aesthetic.

1

PASO 1 DE 11

2

PASO 2 DE 11

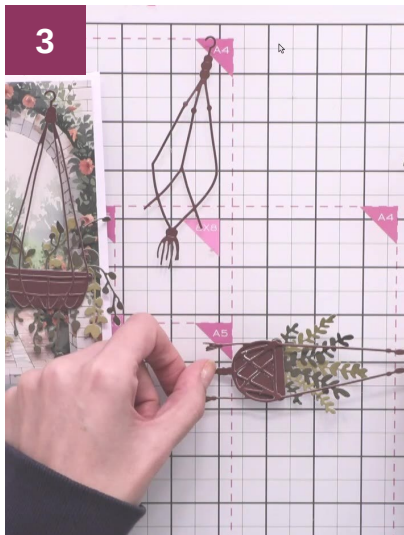

Trim the garden scene pattern paper to fit your A4 card base. Apply adhesive to the back of the pattern paper and attach it to the front of your white card base, smoothing it down firmly.

PASO 3 DE 11

Cut out the first hanging basket from brown cardstock. Position it on the card front with the arch slightly offset from centre, allowing the design to sit naturally within the garden scene composition.

PASO 5 DE 11

Cut a second hanging basket from a different shade of brown cardstock. This will create variation in your garden scene with multiple hanging baskets.

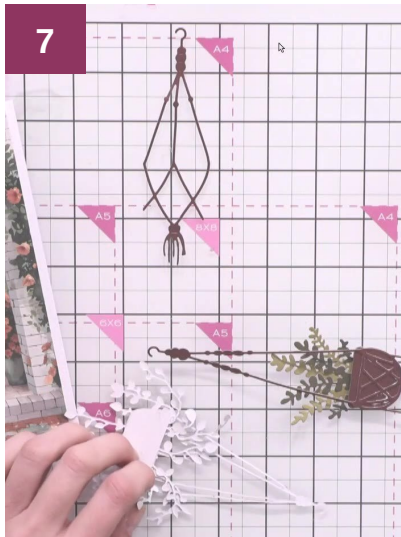

[VER ESTE PASO - 1:07:27](#)

PASO 6 DE 11

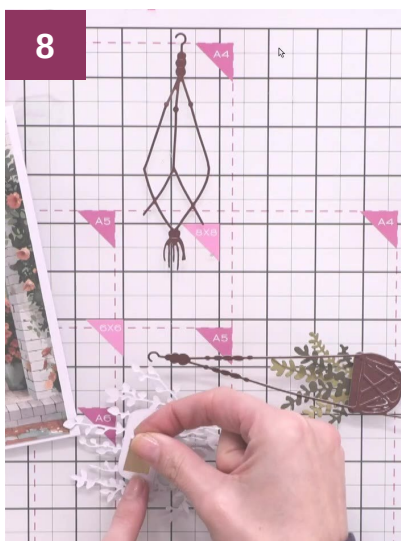

Trim the top of the second hanging basket piece so it sits higher in the composition. Position it on the card to check the placement before adhering.

[VER ESTE PASO - 1:07:57](#)

PASO 7 DE 11

Position the second hanging basket flat on the card front, slightly offset to one side. The basket should be placed lower and to the right of the first hanging basket.

[VER ESTE PASO - 1:08:12](#)

PASO 8 DE 11

Cut out a third hanging basket element. Position it at a different height on the card to create depth and perspective in your garden scene.

[VER ESTE PASO - 1:08:42](#)

PASO 9 DE 11

Apply a small foam pad to the back of the third hanging basket. Position it on the card to raise it slightly above the surface, creating dimension.

CONSEJOS DEL PROGRAMA

- Position elements off to the right or left rather than centralising everything; this creates a more visually interesting composition.
- Use pattern papers first to establish your colour scheme, then select cardstock shades that complement rather than blend into the background.
