PASO A PASO

1

PASO 1 DE 6

Select coordinating papers from the Midnight Blooms 6x6 collection. Choose papers in navy and pink tones to create clean and simple layered cards.

2

PASO 2 DE 6

Stamp the decorative corner design onto your card panel using the coordinating corner stamp from the Midnight Blooms set with your chosen ink colour. Position the stamp in the upper corner of your panel and press firmly for a clear impression.

3

PASO 3 DE 6

Use the coordinating outline die to cut around your stamped design. This eliminates the need for fussy cutting and creates a precise edge around the floral motif.

PASO 4 DE 6

Layer the stamped and die-cut elements onto your card base. Use the 'with love' sentiment strip, the floral panel with navy and pink patterns, and the 'Woohoo!' and 'because' overlays. Add dimension with adhesive foam pads and finish with a navy ribbon bow at the top.

PASO 5 DE 6

Add the lace border pattern stamp as a repeating design to create additional layers on your card. Layer the stamped elements with the floral patterned papers and die-cut embellishments to build dimension.

PASO 6 DE 6

Add a vellum overlay from the Midnight Blooms collection to the front of your card. Position it over your layered design to add luxury and texture to the finished piece.
