Dimensional Sunflower Card with Farmyard Character

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - MONDAY MADNESS - 13 DE MARZO DE 2023

EL PROYECTO TERMINADO

SOBRE ESTE PROYECTO

Create a vibrant 8 by 8 inch dimensional sunflower card featuring a charming farmyard sheep character. The sunflower is built up with layered petals in blended orange and yellow inks, embossed for wonderful texture and dimension, set against a polka dot sky and green grass background. This cheerful design combines stamping, ink blending, embossing and dimensional layering techniques for a stunning result.

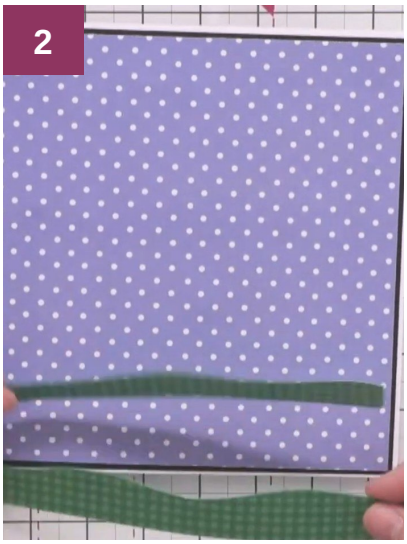
PASO A PASO

PASO 1 DE 13

Take your 8 by 8 inch card blank and adhere a black mount to the front. Then attach a purple polka dot card panel on top of the black mount to create your card base.

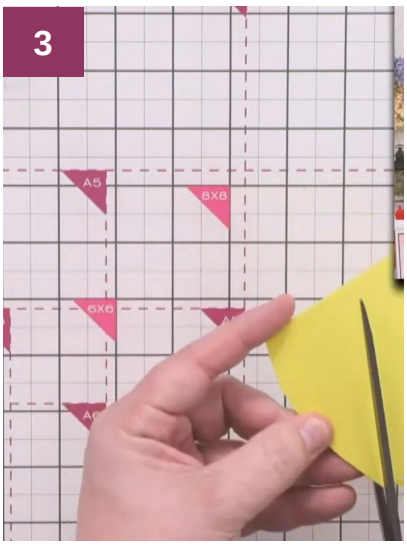
VER ESTE PASO - 19:00



PASO 2 DE 13

Cut a strip of green gingham card and draw a wobbly grass line across it freehand. Glue this strip to the bottom of your purple polka dot card base to create a grass border.

VER ESTE PASO - 20:30

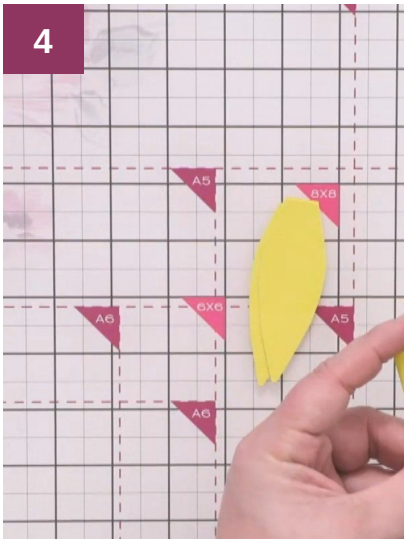


PASO 3 DE 13

Cut a strip of yellow textured card 3.25 inches wide and fold it in half twice to create the petal shapes.

VER ESTE PASO - 22:15

4

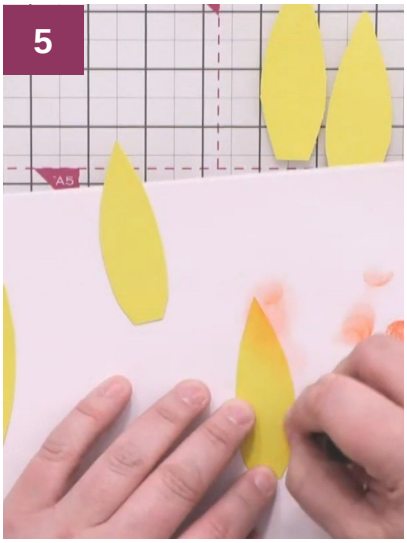


PASO 4 DE 13

Freehand cut petal shapes from the folded yellow card, starting at the bottom and cutting up to the top to create organic petal forms.

VER ESTE PASO - 22:45

5

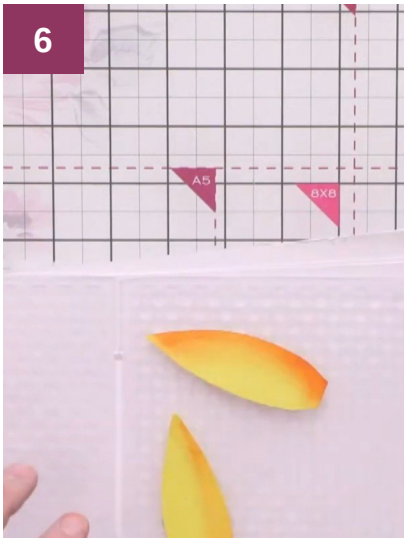


PASO 5 DE 13

Using a small blending brush, apply bittersweet orange ink to each yellow petal. Concentrate more colour towards the bottom of each petal and vary the intensity across different petals.

VER ESTE PASO - 23:45

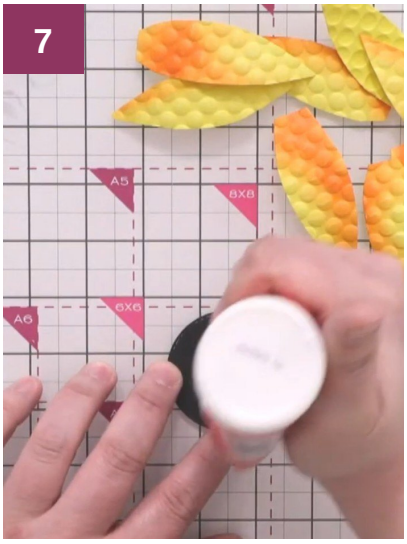
6



PASO 6 DE 13

Run the inked yellow and orange petals through your embossing machine using the retro spots embossing folder to add texture to each petal.

VER ESTE PASO - 25:30



PASO 7 DE 13

Cut a 2-inch circle from black card to use as the base for your flower centre.

VER ESTE PASO - 27:00

PASO 8 DE 13

Glue the first layer of four embossed petals around the black circle centre, spacing them evenly to form a cross pattern.

VER ESTE PASO - 27:30

PASO 9 DE 13

Add a second layer of four petals between the first layer, positioning them in the gaps to create a fuller sunflower. Attach each petal to the centre using adhesive.

VER ESTE PASO - 28:15

PASO 10 DE 13

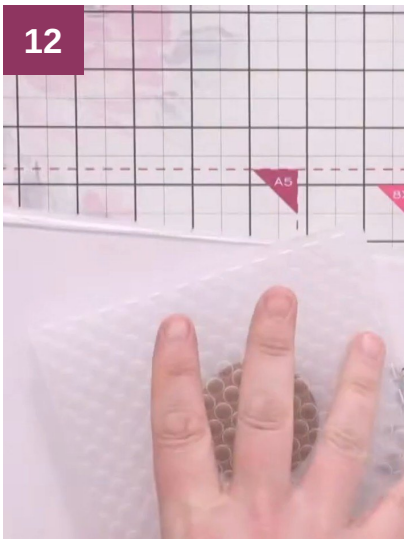
Apply glue to the back of a final petal and position it to fill any remaining gaps between the existing petals, creating a fuller, more dimensional sunflower.

VER ESTE PASO - 28:45

PASO 11 DE 13

Emboss a circle of brown card using the Star Cluster embossing folder. Glue the embossed circle to the back of the sunflower petals to hold them in place and create the flower centre.

VER ESTE PASO - 30:00



PASO 12 DE 13

Stamp the sheep character onto white card using black ink. Colour the sheep with ink and a spot brush. Die-cut the sheep and attach it to the card front using foam pads for dimension.

VER ESTE PASO - 31:30

PASO 13 DE 13

Adhere the dimensional sunflower to the card front using glue. Position the circular sentiment in the centre of the sunflower, lifting and curling some of the petals upwards to create extra dimension.

VER ESTE PASO - 39:00

CONSEJOS DEL PROGRAMA

- Make petal shapes slightly different from each other to create a more natural appearance.
- You may need to use shims with your embossing machine to get the correct pressure on embossing folders, as they are hand-assembled.
- Let glue dry before lifting petals, or work quickly to position them while glue is still wet for more flexibility.
