SOBRE ESTE PROYECTO

Create a beautiful infinity shaker card featuring a square window and charming daisy design. This pre-taped, pre-scored card creates a professional shop-bought finish with 'Sunshine in My Pocket' sentiment on kraft card. Simply fill the window with your choice of embellishments such as glitter, sequins, or even money, then fold and seal the sides to complete your interactive greeting card.

CONSEJOS DEL PROGRAMA

- The tape is very strong once stuck, so be careful if you need to reposition.
- You can leave the protective film on until the very end if you're worried about scratching the acetate.
- These work brilliantly for money and gift cards inside the window.
