

## Tarjeta shaker Infinity con ventana circular

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CREATE AND CRAFT SHOW 11TH MAR 23 - 11 MARCH 2023...

### SOBRE ESTE PROYECTO

Create a beautiful infinity shaker card featuring a circular window filled with delicate white daisies and sparkling embellishments. This elegant design uses super clear acetate shaker card blanks with a kraft paper base, decorated with floral motifs and sealed with folding tabs. The technique involves adding double-sided tape around the circle perimeter, filling with sequins and flowers, then folding the tabs to create a secure shaker element.

## CONSEJOS DEL PROGRAMA

- The circle shaker works brilliantly for money and gift cards as the circular shape is unique.
- You don't need to tape every tooth if you find it fiddly; applying tape around the perimeter is easier.
- These are so tight and secure that you can reuse the shaker by carefully opening it.
