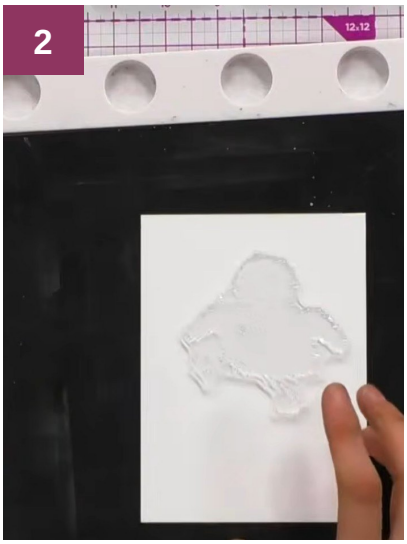
VER ESTE PASO - 53:00



PASO 2 DE 13

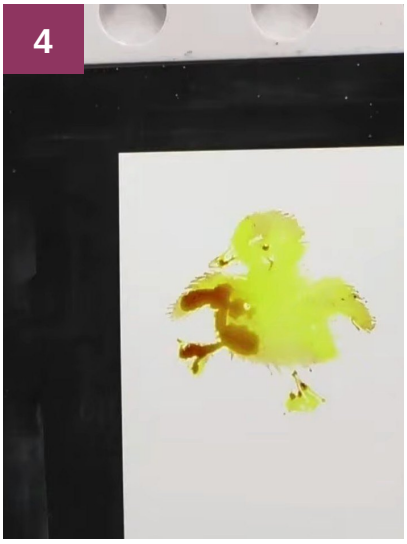
Position the solid portion of the spring blossom stamp in the centre of the white card panel. Ensure the duckling image is centred before stamping.

VER ESTE PASO - 53:30

PASO 3 DE 13

Ink the solid duckling stamp with yellow ink, covering the entire duckling shape including the body and feet.

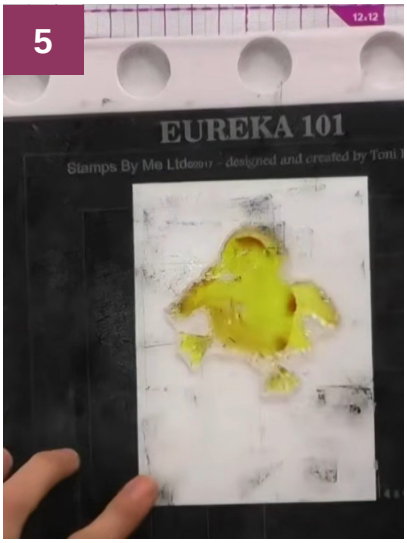
VER ESTE PASO - 54:00



PASO 4 DE 13

Add brown ink to the duckling's tummy, wings and head to create shading and texture. Build up the colour gradually to add depth and dimension to the watercolour duckling.

VER ESTE PASO - 54:15



PASO 5 DE 13

Lightly spray the inked stamp with water to activate the watercolour effect and create a soft, blended appearance.

VER ESTE PASO - 54:45

PASO 6 DE 13

Stamp the duckling design firmly onto the watercolour card. Lift the stamp away cleanly to reveal the watercoloured duckling image with its yellow and brown tones.

VER ESTE PASO - 55:00

Dry the stamped duckling image completely before proceeding to the next step.

VER ESTE PASO - 55:30

VER ESTE PASO - 56:00

PASO 9 DE 13

Stamp the detail portion of the duckling stamp over the dried yellow watercolour to add feather definition and texture to the duckling's body.

VER ESTE PASO - 56:30

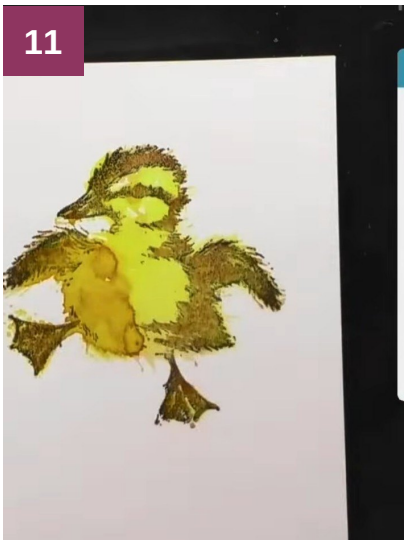
PASO 10 DE 13

Using black ink and a fine brush, add small dots for the duckling's eyes and define the feet to make these details stand out against the yellow and gold tones.

VER ESTE PASO - 57:00

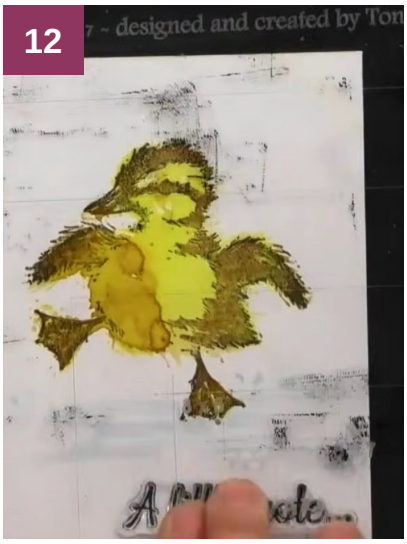


11

PASO 11 DE 13

Spray a small amount of blue ink around the duckling's feet to create a puddle effect, suggesting the duckling is jumping in water.

VER ESTE PASO - 57:30

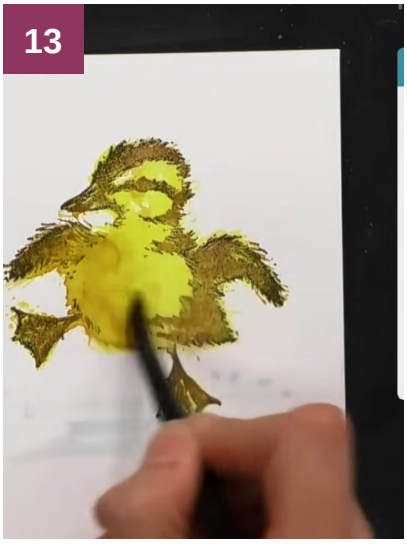


12

PASO 12 DE 13

Add a sentiment stamp such as 'A little note' to the lower side of the card beneath the duckling design.

VER ESTE PASO - 58:00



PASO 13 DE 13

Use a wet brush with water to blend out any unwanted splodges or marks on the yellow watercolour areas of the duckling. The cotton content of the watercolour card allows for easy blending and smoothing of the colours.

VER ESTE PASO - 59:00

CONSEJOS DEL PROGRAMA

- You can add a blue wash around the duckling's feet to make it look like it is jumping in a puddle, which works well for spring and baby shower cards.
- Because you are working on watercolour card with cotton content, you can blend and adjust the colour even after stamping by adding water.
- Birds are notoriously hard to paint and sketch, so using the stamp system removes the difficulty of getting proportions right.
