

Rectangular Shaker Card with Glitter and Sequins

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CREATE AND CRAFT SHOW 10TH MAR 23 - 10 MARCH 2023...

SOBRE ESTE PROYECTO

Create a stunning rectangular infinity shaker card featuring beautiful white daisies on a kraft background. This borderless design uses pre-scored acetate windows filled with glitter and sequins to achieve a floating shaker effect without visible foam or frames. The finished card showcases delicate floral imagery with sparkling embellishments that move freely within the sealed acetate chamber.

[VER ESTE PASO - 18:30](#)**CONSEJOS DEL PROGRAMA**

- The pre-scored and pre-taped design means you don't need to add foam padding, eliminating the risk of glitter spilling out.
- You can fill shaker cards with seeds, buttons, beads, sequins or even a five pound note.
- The acetate is thick and high-end, creating a beautiful dome effect without cloudiness on the score lines.
