PASO A PASO

1

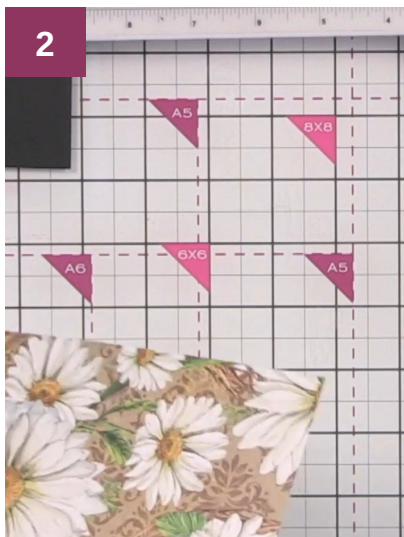

PASO 1 DE 15

Cut one piece of patterned paper from your 8 by 8 inch pad to measure 6 by 8 inches using your trimmer or guillotine.

[VER ESTE PASO - 4:00](#)

2

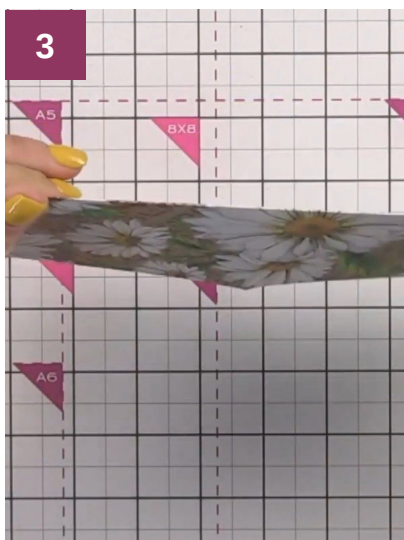

PASO 2 DE 15

Score the decorative paper at 4 inches in one direction, then rotate the paper 90 degrees and score at 3 inches to create the fold lines for your mini album pages.

[VER ESTE PASO - 5:15](#)

3

PASO 3 DE 15

Fold the decorative paper along both score lines to create creases. Ensure the folds are sharp and well-defined.

[VER ESTE PASO - 5:45](#)

PASO 4 DE 15

Using scissors, cut up one score line from the edge of the paper to the centre point where the score lines meet.

[VER ESTE PASO - 6:00](#)

PASO 5 DE 15

Fold the scored paper so the cut sections overlap, creating a pocket in the centre. The floral design should be on the outside of the pocket.

[VER ESTE PASO - 6:30](#)

PASO 6 DE 15

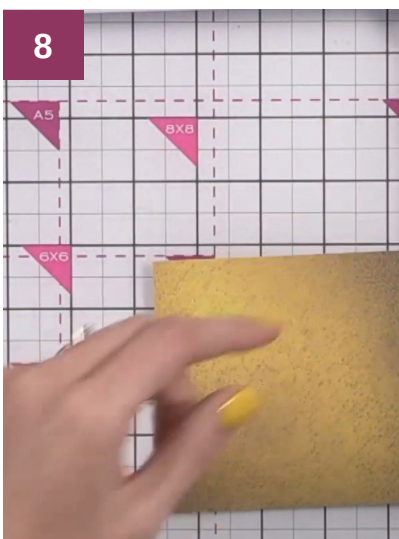

Apply glue along the back and top edges of the pocket to seal it closed, leaving the centre pocket open for inserting items.

[VER ESTE PASO - 7:30](#)

PASO 7 DE 15

Cut two pieces of foundation paper to 4 by 4 inches each. These will form the base for embellishments and closures on your mini album.

[VER ESTE PASO - 9:00](#)

PASO 8 DE 15

Score each 4 x 4 inch square at 1 inch on all four sides using your scoreboard. This will create hinged pages for your mini album.

[VER ESTE PASO - 10:00](#)

PASO 9 DE 15

Using a circular punch, make a hole near the fold line of the hinge to indicate there is a pocket behind. This step is optional.

[VER ESTE PASO - 10:45](#)

10

PASO 10 DE 15

Apply adhesive to the left, bottom and right edges of the first hinged page. Attach it to the front cover, leaving the top edge open to create a pocket for items to slide behind.

[VER ESTE PASO - 11:45](#)

11

PASO 11 DE 15

Attach the second hinged page to the back cover using double-sided tape along the gold spine edge, creating another pocket in the same manner as before.

[VER ESTE PASO - 12:30](#)

12

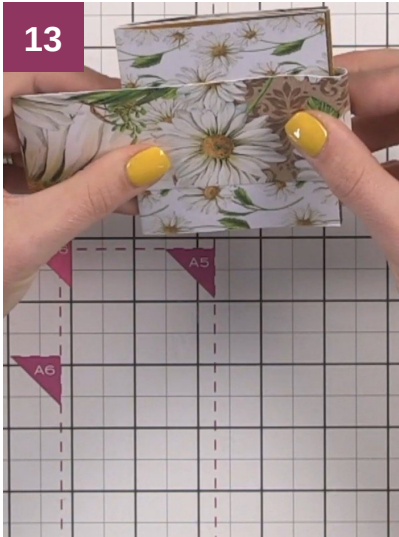

PASO 12 DE 15

Cut a strip from the leftover 6 by 8 inch patterned paper offcut. Wrap it around the closed album to create a closure band, ensuring it has enough ease to accommodate the bulk of the items inside.

[VER ESTE PASO - 13:45](#)

13

PASO 13 DE 15

Fussy cut floral elements from the patterned paper offcuts to use as decorative embellishments for the front cover of your mini album.

[VER ESTE PASO - 14:45](#)

14

PASO 14 DE 15

Glue the fussy-cut floral elements to the front cover of your mini album. Add additional decorative paper pockets inside the pages for extra embellishment and storage.

[VER ESTE PASO - 20:00](#)

15

PASO 15 DE 15

Insert tea bags, seeds, gift tags or other small items into the various pockets throughout the album. The pockets can hold different treasures to personalise your mini album.

CONSEJOS DEL PROGRAMA

- Save all offcuts from cutting your pieces as they work perfectly for pockets, embellishments, closures and belly bands.
- If you don't have a circle punch to create finger holes, you can draw around a pot lid and cut it away to achieve the same effect.
- Give yourself grace in your closure band by leaving extra space to accommodate the bulk of tea bags or other items you plan to insert.
