

Grungy Striped Background Card with Crash Character

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - MONDAY MADNESS - 6 DE MARZO DE 2023

SOBRE ESTE PROYECTO

Create a striking grungy card featuring a cool gamer character with purple hair and sunglasses set against a distressed striped background. This project combines embossed paper strips in vibrant colours with stamped sentiment boxes, using embossing powder to add sparkle and dimension. The technique demonstrates how to layer inked strips and continue an embossing pattern across multiple pieces for a cohesive, textured urban-style effect.

PASO 2 DE 14

Arrange the coloured card strips in order from light to dark tones, alternating the colours to create visual variation across your panel.

[VER ESTE PASO - 2:30](#)

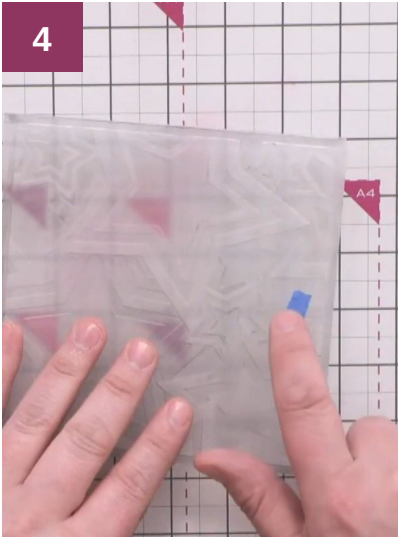

PASO 3 DE 14

Line up all five coloured strips at the bottom edge. Hold them in position and secure them together with low-tack masking tape.

PASO 4 DE 14

Place the taped strip panel into the Star Cluster embossing folder with the textured side facing down.

[VER ESTE PASO - 4:00](#)

5

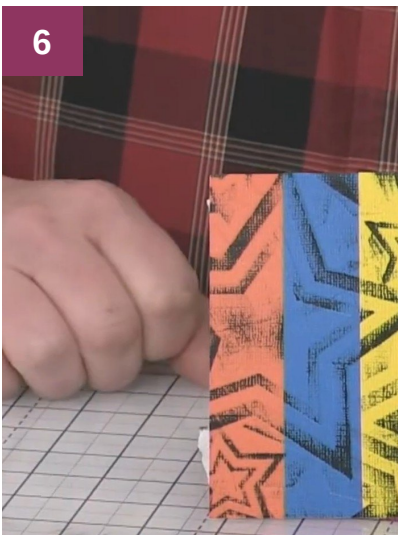

PASO 5 DE 14

Run the striped cardstock panel through your embossing machine with the star cluster embossing folder to create raised star detail across all the coloured strips.

[VER ESTE PASO - 4:15](#)

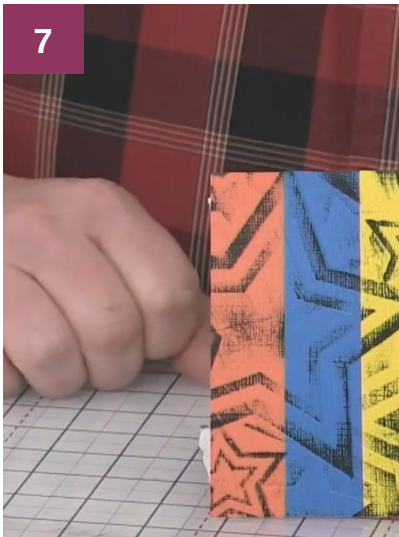

6

PASO 6 DE 14

Remove the washi tape from the back of the embossed striped panel to reveal the clean edges.

[VER ESTE PASO - 5:00](#)

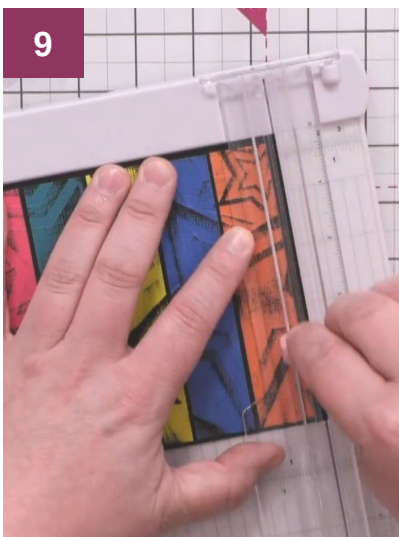

PASO 7 DE 14

Lightly brush black ink across the embossed stars on the coloured strips using a flat glass mat. This adds depth and brings out the raised texture of the star pattern.

[VER ESTE PASO - 5:00](#)

PASO 8 DE 14

Glue the embossed strips onto a black card background, arranging them to create a continuous striped design. Position the strips so the patterns align and create visual interest across the card front.

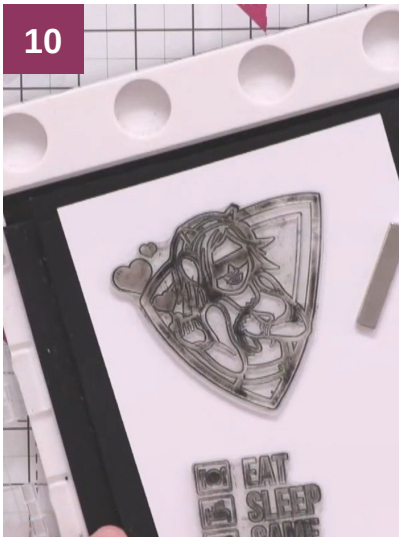

[VER ESTE PASO - 7:30](#)

PASO 9 DE 14

Using a paper trimmer, trim the edges of the stamped strips to create a balanced, symmetrical edge on your panel.

[VER ESTE PASO - 9:30](#)

10

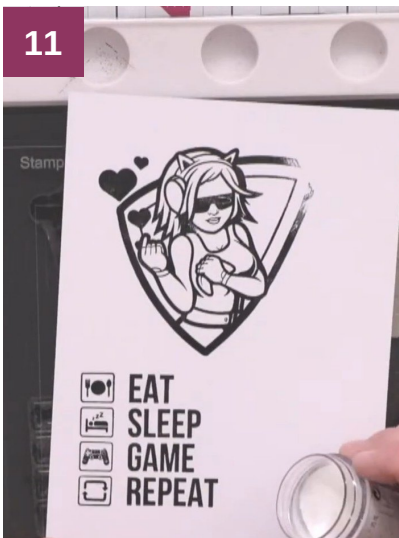

PASO 10 DE 14

Position the large Crash character stamp and the 'Eat Sleep Game Repeat' sentiment stamp onto white cardstock. Stamp both images together using black ink.

[VER ESTE PASO - 10:30](#)

11

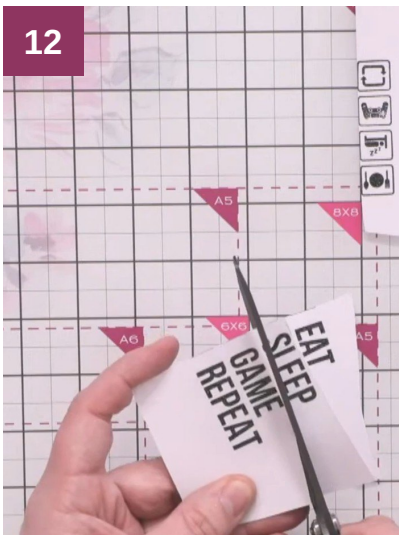

PASO 11 DE 14

Apply clear embossing powder with sparkle over the stamped images. Heat-set the embossing powder using a heat gun until the powder melts and creates a raised, glossy finish.

[VER ESTE PASO - 12:00](#)

12

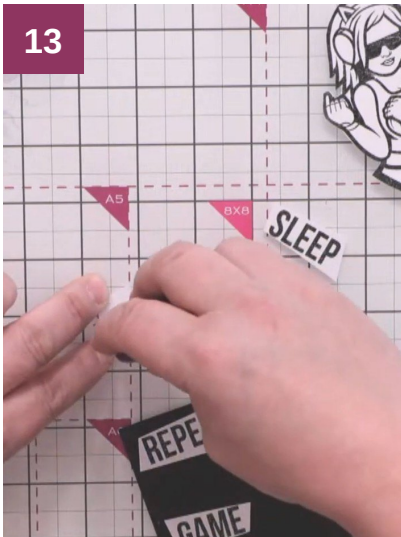

PASO 12 DE 14

Carefully cut out the stamped character and sentiment words using scissors. Take your time to cut neatly around the edges of the design.

[VER ESTE PASO - 14:30](#)

13

PASO 13 DE 14

Mount the character and sentiment pieces onto black cardstock to create borders. Carefully cut around each mounted piece to complete the borders.

[VER ESTE PASO - 17:30](#)

14

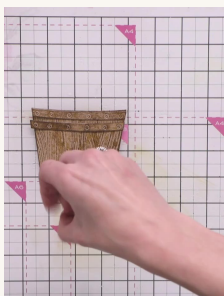

PASO 14 DE 14

Attach the colourful striped character panel to the bottom right corner of the card front using foam pads to add dimension. Layer the sentiment words 'EAT', 'SLEEP' and 'REPEAT' using a combination of foam pads and flat adhesive.

CONSEJOS DEL PROGRAMA

- Mark embossing folders with tape on the top to identify which side creates the raised emboss.
- Textured cardstock helps hide any cracks that may occur during embossing.
- Use low-tack masking tape when securing strips together so it doesn't damage the card when removed.
