UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - FRIDAY LIVE LAUNCH - 3 DE MARZO DE 2023

SOBRE ESTE PROYECTO

Create a stunning layered card featuring a three-tier spotlight design with romantic stamped hearts and an elegant heat-embossed silhouette of three girls. The card showcases depth through scattered pink and red heart backgrounds, with the focal image beautifully highlighted in the centre and finished with gold embossing and delicate yellow painted details. This impressive design combines stamping, heat embossing and watercolour techniques for a truly special handmade card.

[VER ESTE PASO - 14:00](#)

PASO 5 DE 10

Heat emboss the stamped girls image using gold embossing powder. Apply the powder generously over the stamped design to create a halo effect around the figures.

[VER ESTE PASO - 17:45](#)

PASO 6 DE 10

If you miss any detail when stamping, use the halo left by the embossing powder to realign the stamp and re-stamp the missing part to complete the image.
