EL PROYECTO TERMINADO

SOBRE ESTE PROYECTO

Create an elegant handbag-shaped card featuring a stamped perfume bottle and floral design on patterned paper. The finished piece combines delicate pink and grey tones with heat-embossed details for added sparkle and dimension. This project uses stamping techniques instead of traditional stencil layering to achieve a sophisticated, fashion-inspired greeting card.

CONSEJOS DEL PROGRAMA

- You can skip the stencil layers entirely and go straight to stamping for a quicker result.
- Patterned paper adds texture and interest without needing to layer stencils.
- You don't have to emboss; a flat stamped and sparkled design looks equally beautiful.
