

Layered Handbag and Sunglasses Card with Stencils

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CREATE AND CRAFT SHOW 28TH FEB 23 - 28 FEBRUARY...

SOBRE ESTE PROYECTO

Create an elegant fashion-themed card featuring a layered handbag and heart-shaped sunglasses in coordinating blue and pink tones. Using a three-stage stencil layering technique, you'll build depth and dimension by applying multiple ink colours through the same stencil in different positions. This sophisticated design combines two complementary elements on a single card front, perfect for fashion enthusiasts and special occasions.

Del programa: Create and Craft Show 28th FEB 23

Mostrado: 28 de febrero de 2023

El proyecto empieza: 29:30 into the show...

En esta guía: 8 pasos, todos con foto

PASO A PASO

PASO 1 DE 8

Position stencil number one for the handbag at the top left of your white card stock, aligning it with the edge or using the heart guides on your cutting mat.

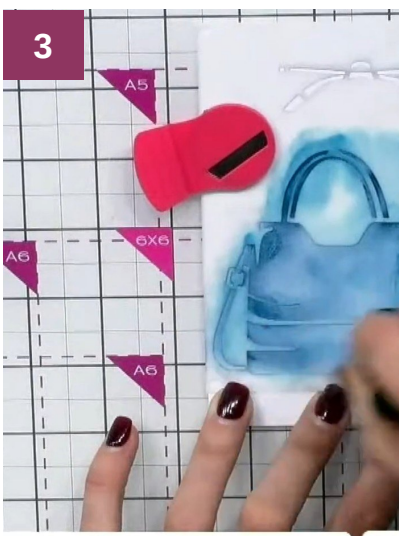

[VER ESTE PASO - 29:45](#)

PASO 2 DE 8

Apply ink through the handbag stencil using a light wash of your chosen colour. Use a blending tool or sponge to gently work the ink through the stencil openings.

[VER ESTE PASO - 30:15](#)

PASO 3 DE 8

Position the second handbag stencil, aligning it with the edge of the card. Apply the same colour ink through the stencil, pressing slightly harder for deeper coverage.

[VER ESTE PASO - 31:30](#)

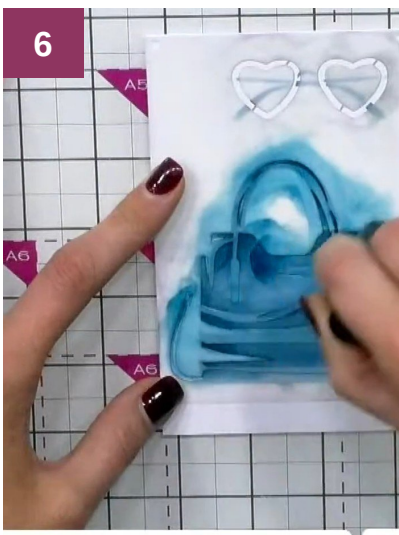

PASO 4 DE 8

Place stencil three over the handbag and apply blue ink, pressing firmly to create darker definition on this final layer.

[VER ESTE PASO - 32:00](#)

PASO 5 DE 8

Position the sunglasses stencil at the top of the card. Apply blue ink through the stencil using a blending tool to create the lenses.

[VER ESTE PASO - 32:30](#)

PASO 6 DE 8

Apply the second stencil layer to build up the sunglasses design on the card. Continue adding layers with the third stencil to complete the glasses alongside the handbag.

[VER ESTE PASO - 33:00](#)

PASO 7 DE 8

Optional: Use the coordinating stamp to add outline detail to the handbag. Press firmly with dark ink to define the edges and add shine to the shoe detail on the bag.

[VER ESTE PASO - 34:00](#)

PASO 8 DE 8

Run the card through the 3D embossing folder to add texture and dimension to the handbag design. This will create pin-prick detail such as studs on the handbag.

[VER ESTE PASO - 35:00](#)

CONSEJOS DEL PROGRAMA

- You can build multiple elements on one card by layering stencils for different design components.
- Wash your stencils under tap water between colour changes to avoid colour contamination and muddy results.
