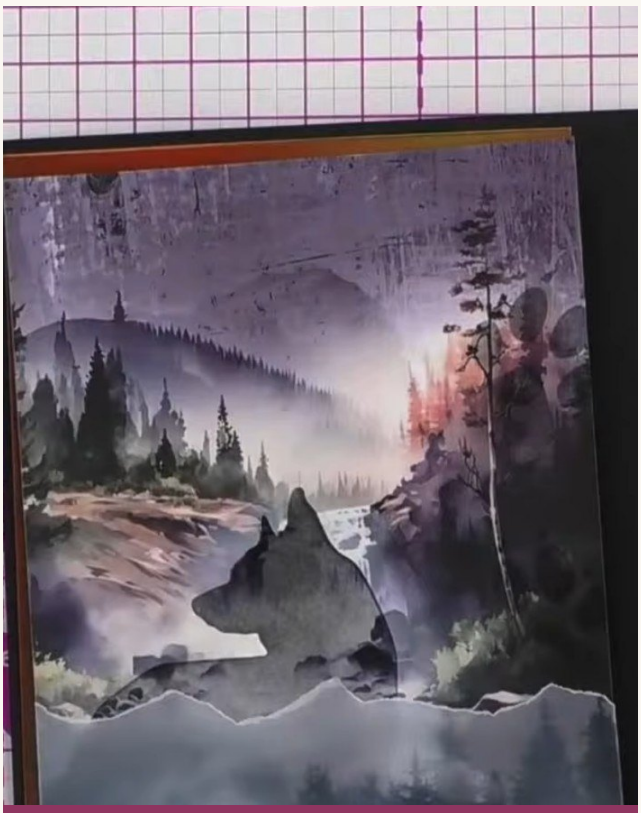
UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - HOBBYMAKER TV - 6 DE ABRIL DE 2026



EL PROYECTO TERMINADO

SOBRE ESTE PROYECTO

Create an elegant layered card featuring a wolf silhouette with a scenic wilderness background. The design uses torn vellum as a decorative wrap across the lower portion, combined with heat-embossed sentiment on a matted layer. This technique blends transparency and dimension for a sophisticated, nature-inspired finish in moody blues and greys.
