SOBRE ESTE PROYECTO

Create an elegant shaped card using the Timeless Stitch die with a decorative offset aperture design. PASO A PASO

PASO 1 DE 6

Die-cut the Timeless Stitch die on white cardstock, using both the interior aperture die and the exterior outline die to create a decorative frame with a circular centre opening.

PASO 2 DE 6

Position the decorative die-cut frame slightly off-centre on the card front to create visual interest. Place it so the aperture is offset rather than perfectly symmetrical. Secure the frame in place with adhesive.

PASO 3 DE 6

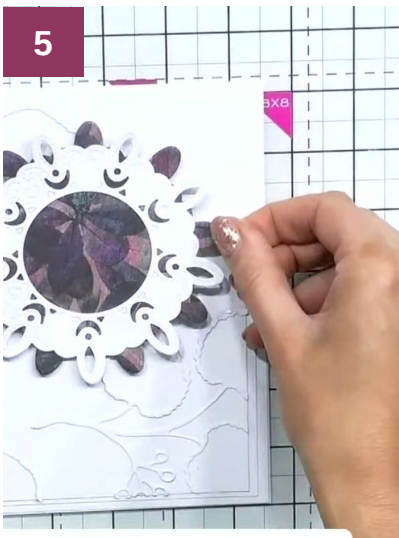

Adhere the decorative die-cut frame onto a coordinating coloured card base using adhesive pads for dimension.

PASO 4 DE 6

Stamp a sentiment or image from your chosen stamp set into the circular aperture created by the die-cut design. Position the stamp carefully within the nesting circle to create a focal point for your card.

PASO 5 DE 6

Add gems or pearls along the stitch detail line of the decorative die-cut frame to enhance the embellishment. Position them evenly around the stitched border for a polished finish.

PASO 6 DE 6

Position the shaped card on your work surface and adjust it so it stands upright properly. Ensure the fold allows the card to display well when placed on a desk or shelf.

- The exterior die creates a lovely shaped card that stands up proud on a desk.
- You can place gems all the way along the stitch detail for added sparkle and dimension.
