PASO A PASO

1

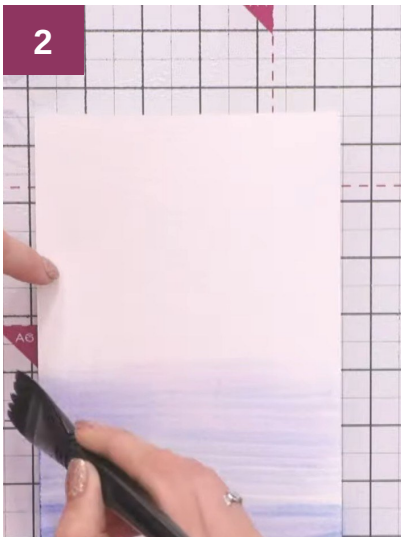

PASO 1 DE 16

Spray your A4 watercolour card with water using a spray bottle to wet the surface thoroughly.

[VER ESTE PASO - 7:15](#)

2

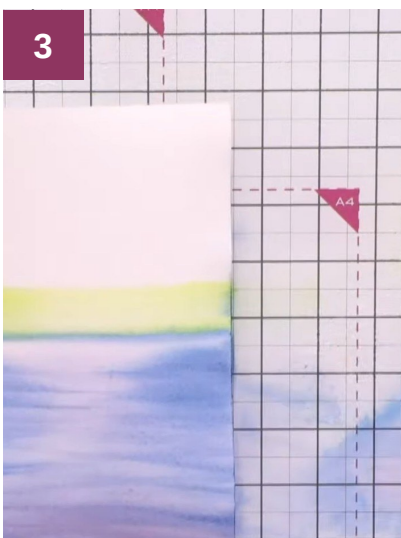

PASO 2 DE 16

Apply your first ink colour to the white card using a flat brush. Use Surfboard or Sherbet ink and angle the brush to create texture across the card surface.

[VER ESTE PASO - 7:30](#)

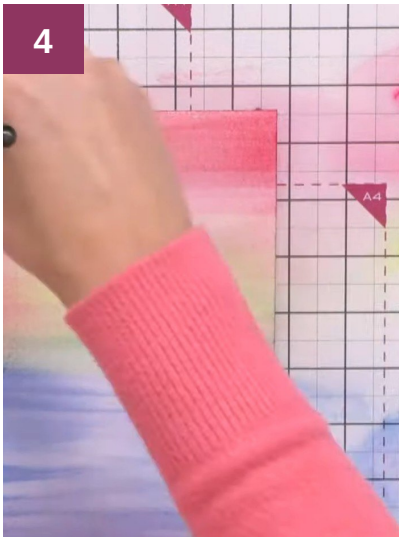

3

PASO 3 DE 16

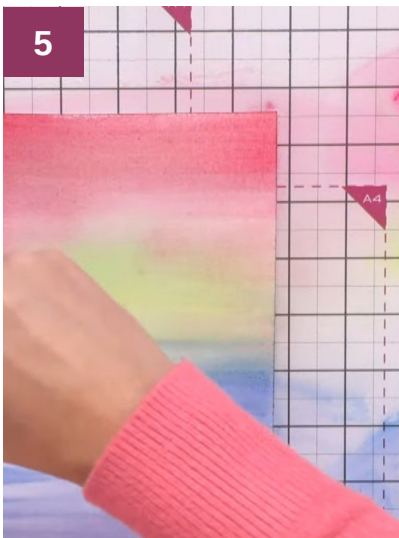

Clean your brush lightly and add yellow watercolour to the upper portion of the sky, blending it with the blue to create a gradient effect.

[VER ESTE PASO - 8:30](#)

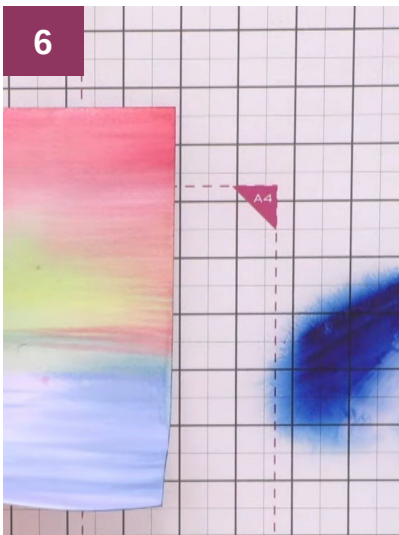

PASO 4 DE 16

Spray the card again with water. Add a third colour such as pink or purple to the upper portion to enhance the sunset effect, blending it into the existing colours.

[VER ESTE PASO - 9:15](#)

PASO 5 DE 16

Blend the colours together by dragging your brush across the wet watercolour surface, creating soft transitions between the pink, yellow and blue areas.

[VER ESTE PASO - 9:45](#)

PASO 6 DE 16

Add a fourth colour such as Hedgerow or Indigo to the lower portion of the card to represent water or sea. Blend the colour into the existing gradient to create a smooth transition.

[VER ESTE PASO - 11:00](#)

PASO 7 DE 16

Use a clean, damp brush to lift out colour from the pink sky area, creating highlights and breaking up any harsh lines in the watercolour.

[VER ESTE PASO - 12:30](#)

PASO 8 DE 16

Allow the watercoloured background to dry completely. Once dry, trim it to A4 size and mount it onto black card to create a border.

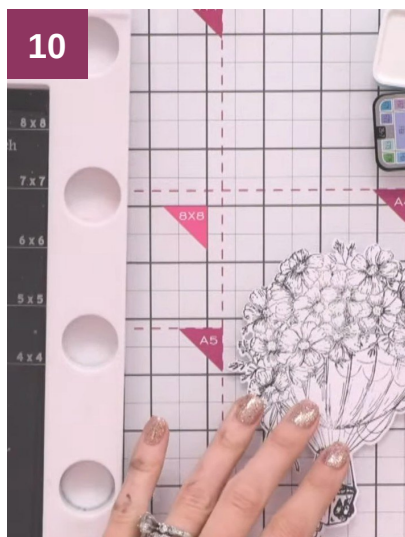

[VER ESTE PASO - 15:00](#)

PASO 9 DE 16

Stamp the hot air balloon image from the Trust Your Journey stamp set onto white card using black ink. Position the stamp carefully to ensure the full design is captured clearly on the card.

[VER ESTE PASO - 18:45](#)

10

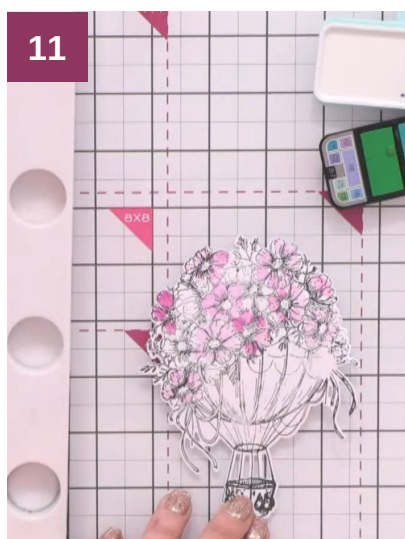

PASO 10 DE 16

Colour the balloon petals lightly with watercolour, leaving white space and using soft pastel colours rather than bright colours.

[VER ESTE PASO - 19:30](#)

11

PASO 11 DE 16

Using a grey watercolour or ink, add shadow down the left side of each curved section of the hot air balloon to create dimension and depth.

[VER ESTE PASO - 20:30](#)

12

PASO 12 DE 16

Add pink sequins or gems to the centres of the flowers on the hot air balloon for sparkle and detail.

[VER ESTE PASO - 22:15](#)

13

PASO 13 DE 16

Use a white gel pen to add highlights to the water area at the bottom of the hot air balloon image, creating sparkly reflections.

[VER ESTE PASO - 23:45](#)

14

PASO 14 DE 16

Using your sparkle pen, add a small amount of yellow to the water area at the bottom of the card to reflect the sky colours above.

[VER ESTE PASO - 29:00](#)

15

PASO 15 DE 16

Stamp a sentiment from the Trust Your Journey stamp set in black ink onto the lower portion of the card.

[VER ESTE PASO - 30:45](#)

16

PASO 16 DE 16

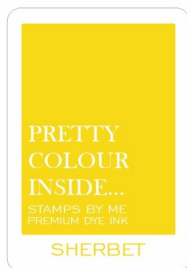

Position the coloured hot air balloon die-cut onto the sunset background at a slight angle, as if floating away. Adhere it in place to complete your card.

CONSEJOS DEL PROGRAMA

- If you add too much colour, you can always bring back the light with a white gel pen.
- Don't worry if the card looks like a hot mess initially—have patience to see the colours come together.
- You can fussy cut and layer the balloon on top with foam pads to add extra dimension if desired.
