PASO A PASO

PASO 1 DE 16

Cut a piece of white card to 11 by 6 inches. Score the card at 5 inches and 6 inches to create the book base.

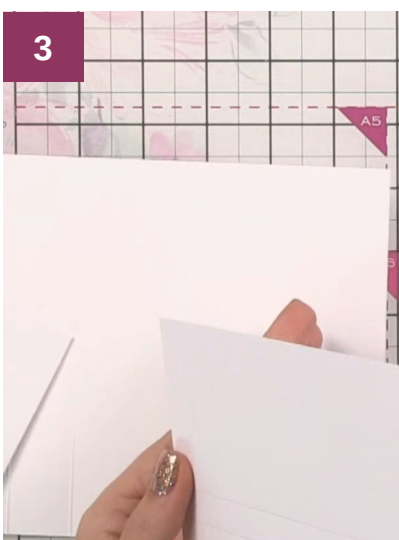

[VER ESTE PASO - 22:15](#)

PASO 2 DE 16

Round the corners of your book base using a corner punch. If you don't have a corner punch, you can trim the corners freehand with scissors to create a rounded edge.

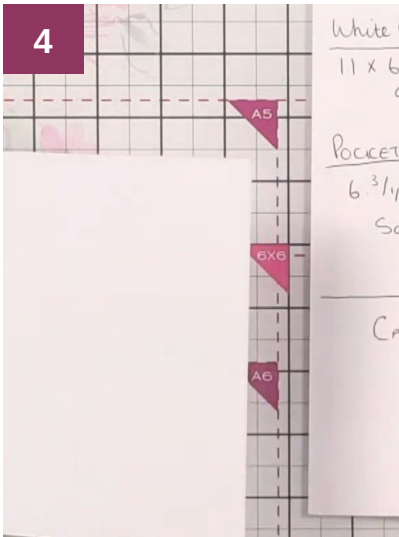

[VER ESTE PASO - 22:45](#)

PASO 3 DE 16

Cut two pocket pieces from white card, each measuring $6\frac{3}{4}$ by $3\frac{1}{2}$ inches. Score each pocket piece at $\frac{1}{2}$ inch and 1 inch from one short edge.

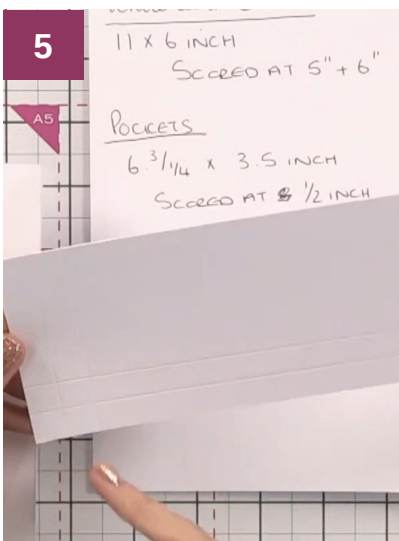

[VER ESTE PASO - 23:00](#)

PASO 4 DE 16

Score each pocket piece at half inch and one inch. Turn the piece and score again at half inch and one inch to create the gussets.

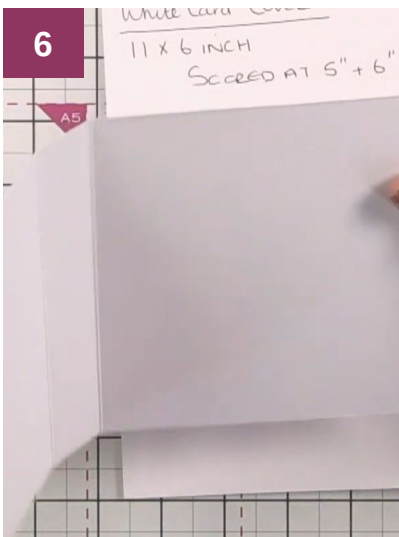

[VER ESTE PASO - 23:15](#)

PASO 5 DE 16

Cut away the square corners from each pocket piece to create the gusset effect. This will allow the pockets to fold and expand when items are placed inside.

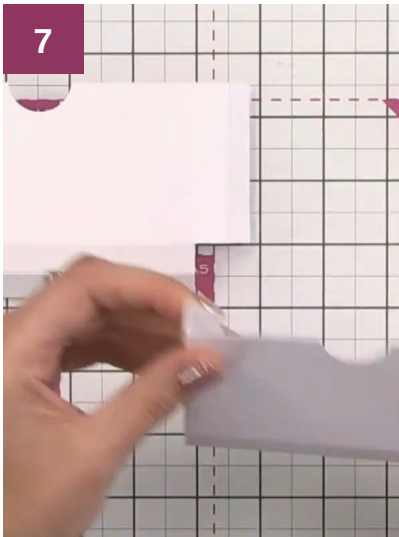

[VER ESTE PASO - 23:30](#)

PASO 6 DE 16

Fold the white card cover along the score lines at 5" and 6" to create the pocket shape with gussets.

[VER ESTE PASO - 24:00](#)

PASO 7 DE 16

Stamp the bunny images from the Somebunny Loves You stamp set onto white card pieces using no-line watercolour hybrid ink. Position some images half on and half off the card edge to allow space for colouring.

[VER ESTE PASO - 27:30](#)

PASO 8 DE 16

Cut white card to 5½ by 9 inches and score at 4½ inches to create four card blanks.

[VER ESTE PASO - 28:30](#)

PASO 9 DE 16

Mount one of the stamped bunny images onto a patterned paper layer using adhesive. Attach the mounted image to one of the card blanks to create an example card for the recipient.

[VER ESTE PASO - 36:00](#)

10

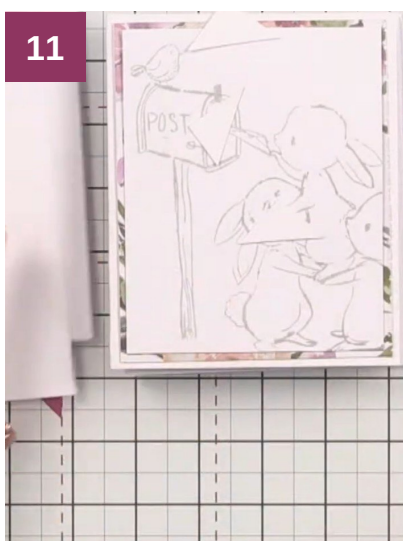

PASO 10 DE 16

Use leftover white card pieces to create tags. Mark dots with a pencil to form tag shapes, then cut between the dots to create the tags.

[VER ESTE PASO - 37:45](#)

11

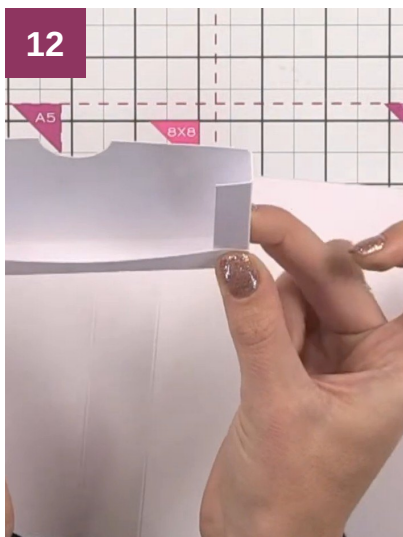

PASO 11 DE 16

Position your stamp in the centre of the glass mat. Stamp the bunny image onto the tags, capturing approximately half of the design to show the theme.

[VER ESTE PASO - 38:30](#)

12

PASO 12 DE 16

Apply glue to the tabs on the first pocket piece and attach it to the inside base of the book. Hold the pocket in place until the glue sets securely.

[VER ESTE PASO - 44:00](#)

13

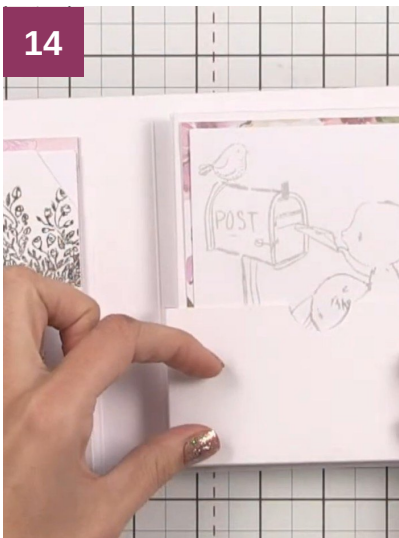

PASO 13 DE 16

Apply adhesive to the second pocket piece and position it on the opposite side of the book base, aligning it carefully. Press down firmly to secure the pocket in place.

[VER ESTE PASO - 44:45](#)

14

PASO 14 DE 16

Decorate the front cover of your book with patterned paper and stamped images. You can use the grid on your cutting mat to align the paper, or position it freehand to coordinate with the inside contents.

[VER ESTE PASO - 50:30](#)

15

PASO 15 DE 16

Place the stamped colouring pages, card blanks, decorated toppers, and tags inside the pockets of your gift box organiser.

[VER ESTE PASO - 52:00](#)

16

PASO 16 DE 16

Add coordinating envelopes to the back of the coloring book.

Consider bundling the tags together with twine or ribbon to keep them organised.

CONSEJOS DEL PROGRAMA

- Keep measurements simple and don't overcomplicate the sizing.
- Stamp some images half on and half off the card to give the recipient space to add their own sky or background.
- Make multiple copies of the project at once by cutting all the outside pieces and pockets together, then just changing out the colours and stamped images.
