PASO A PASO

PASO 1 DE 16

Using a black pen, draw fluffy clouds freehand on white cardstock. Create various sizes in a loose, organic style with rounded, bumpy edges.

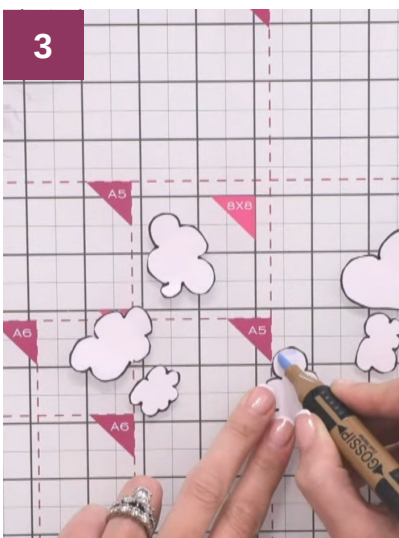

[VER ESTE PASO - 6:15](#)

PASO 2 DE 16

Draw a heart shape freehand with a black pen on the pink paper. Make the outline fairly thick to help with fussy cutting later.

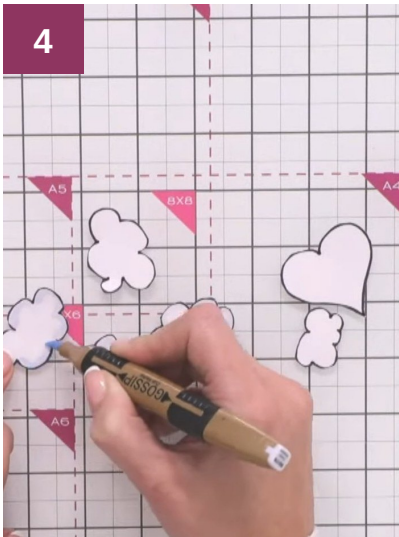

[VER ESTE PASO - 7:00](#)

PASO 3 DE 16

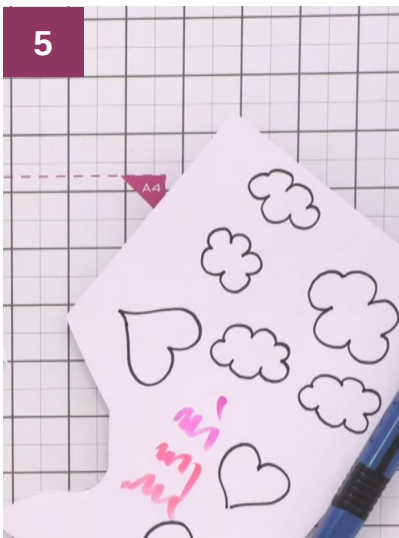

Using a grey alcohol marker, outline the inside edge of each cloud shape to add dimension and prevent them looking flat.

[VER ESTE PASO - 8:30](#)

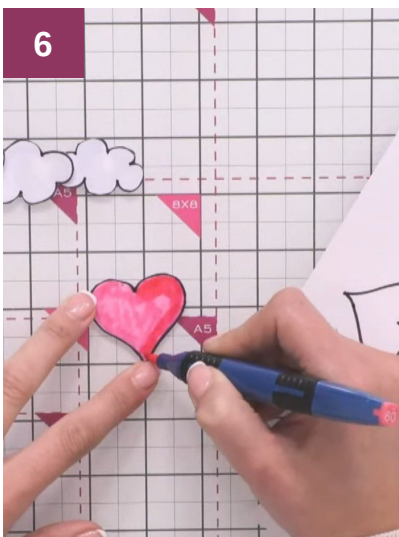

PASO 4 DE 16

Add shading to the clouds using circular motions with a grey pencil or marker to create depth and dimension.

[VER ESTE PASO - 9:00](#)

PASO 5 DE 16

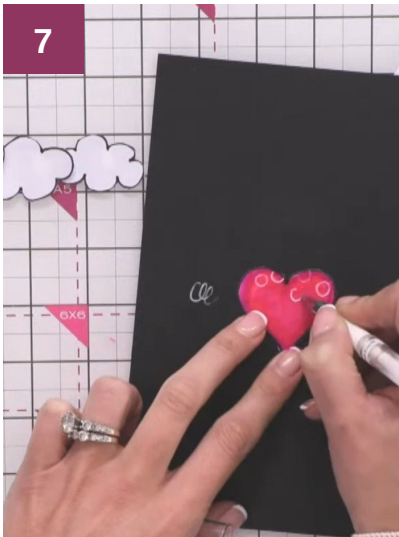

Colour the heart balloon using watercolour pens. Start with the lightest pink colour all over, then layer darker pink shades to add dimension.

[VER ESTE PASO - 10:15](#)

PASO 6 DE 16

Blend the watercolour pen colours by adding a touch of water with a brush or water pen to create a watercolour effect. Allow the water to evaporate, then layer additional colours on top to build up depth and dimension.

[VER ESTE PASO - 11:00](#)

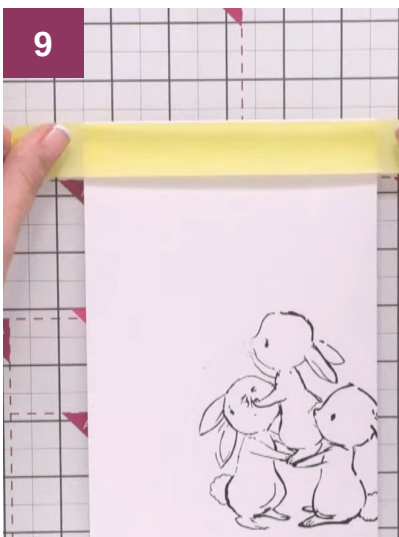

PASO 7 DE 16

Using a white gel pen, draw small circles on the pink heart balloon to add decorative detail and dimension.

[VER ESTE PASO - 12:30](#)

PASO 8 DE 16

Stamp the bunny rabbit image from the Eureka 101 stamp set onto white cardstock. Ensure you stamp only the bunny and hand, avoiding the letter or mailbox elements.

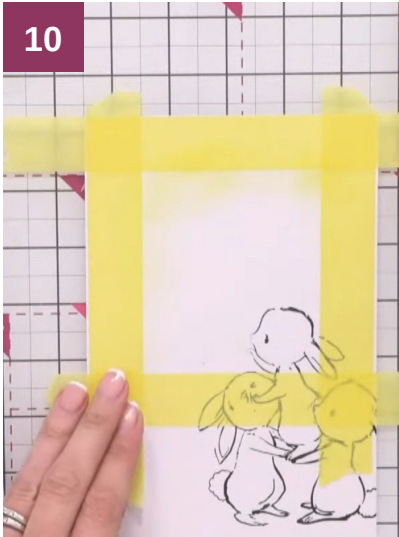

[VER ESTE PASO - 14:15](#)

PASO 9 DE 16

Position strips of yellow masking tape horizontally across the top and bottom of your stamped image to create a square aperture, leaving the centre section exposed for your sky background.

[VER ESTE PASO - 16:00](#)

10

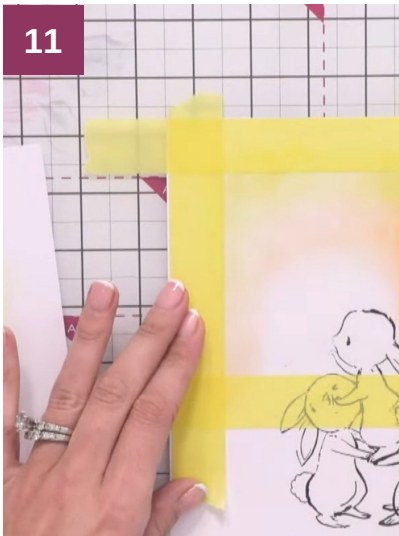

PASO 10 DE 16

Apply yellow pigment ink lightly across the masked area using a brush or sponge applicator. Work gently to create a soft base for the sky background.

[VER ESTE PASO - 17:00](#)

11

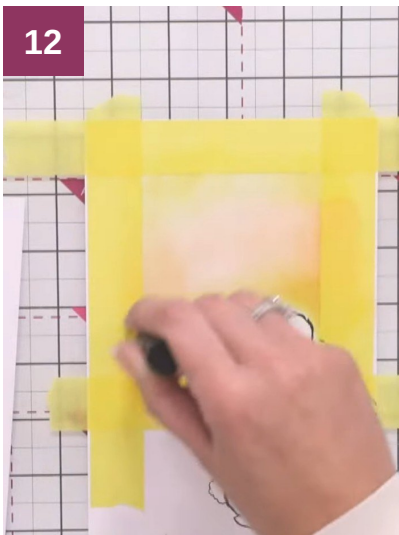

PASO 11 DE 16

Layer orange pigment ink over the yellow areas, blending gently to create a warm sunset effect around the stamped image.

[VER ESTE PASO - 18:45](#)

12

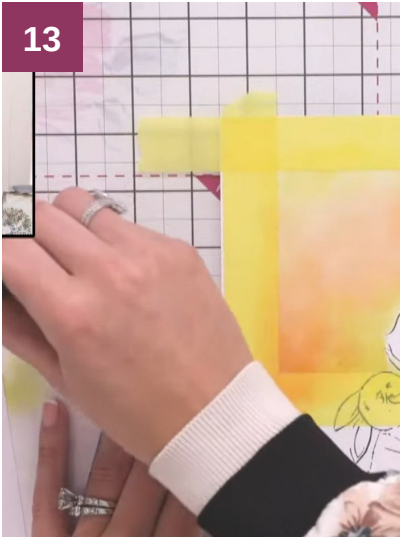

PASO 12 DE 16

Add touches of red pigment ink sparingly to the yellow inked area to create a tropical sky effect, blending carefully with the existing colours.

[VER ESTE PASO - 20:30](#)

13

PASO 13 DE 16

Carefully remove the masking tape from around the stamped image to reveal the coloured sky background with yellow and orange tones.

[VER ESTE PASO - 21:00](#)

14

PASO 14 DE 16

Stamp the 'with love' sentiment in black ink onto white cardstock. Position the stamp above the bunny illustration.

[VER ESTE PASO - 23:00](#)

15

PASO 15 DE 16

Adhere the white matte layer with the bunny image and sentiment onto a pink card base to complete your card.

CONSEJOS DEL PROGRAMA

- You don't need dedicated cloud or heart stamps; freehand drawing with a pen works beautifully and adds a personal touch.
- If your fussy cutting isn't perfect, using a thick black outline helps disguise any imperfections.
- Watercolour pens blend well and work just as effectively as alcohol markers for colouring the balloon.
