

Watercolour-Effect Painted Dress Card with Two-Part Lamination Stamps

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - 811138 - 1 DE ENERO DE 2023

SOBRE ESTE PROYECTO

Create a stunning card featuring a lady in an elegant painted dress using a two-part lamination stamp system. The solid stamp is coloured with vibrant pink and coral inks, then water-sprayed to create a beautiful watercolour effect, before the outline stamp adds definition and detail. This technique produces a professional, artistic finish with a fashionable silhouette framed by bold black borders on a kraft card base.
