Gaming-Themed Glitter Background Card with Layered Sentiment

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - MONDAY MADNESS - 28 DE NOVIEMBRE DE 2022

EL PROYECTO TERMINADO

SOBRE ESTE PROYECTO

Create a striking gaming-themed card with a dramatic stencilled and glittered background in black and your choice of vibrant colours. This multi-layered design features embossed gaming motifs and sentiments, with contrasting glitter cardstock frames that add depth and sparkle. The main techniques include stencilling, heat embossing, glitter application, and layered die-cutting to achieve a professional finish perfect for gaming enthusiasts.

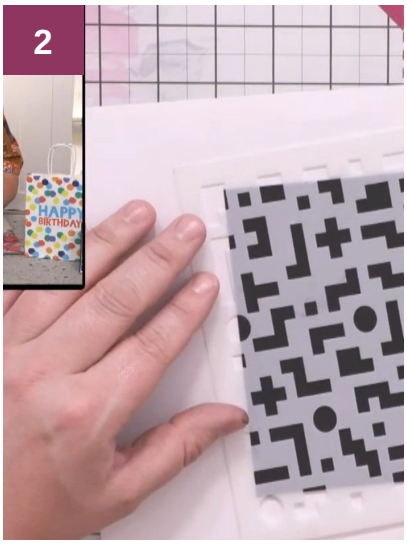
PASO A PASO

PASO 1 DE 13

Place the pixel pattern stencil onto black cardstock at an angle, positioning it slightly off-centre for a more dynamic look.

VER ESTE PASO - 12:15



PASO 2 DE 13

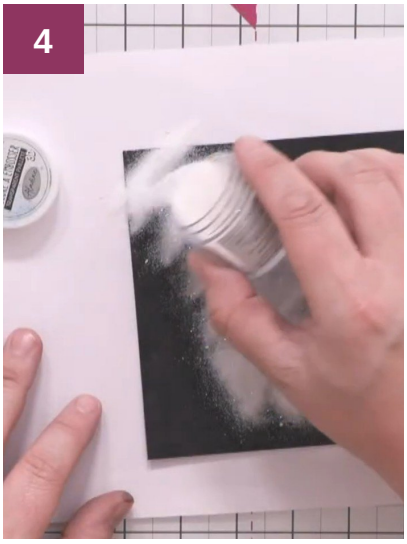
Position the pixel pattern stencil on the black card and apply embossing ink through the stencil using an embossing pad. Press firmly to ensure the design transfers completely onto the card surface.

VER ESTE PASO - 12:30

PASO 3 DE 13

Rub the anti-static bag over the inked stencil area on the black cardstock to prepare the surface for embossing powder. Tap gently around the edges to ensure good coverage.

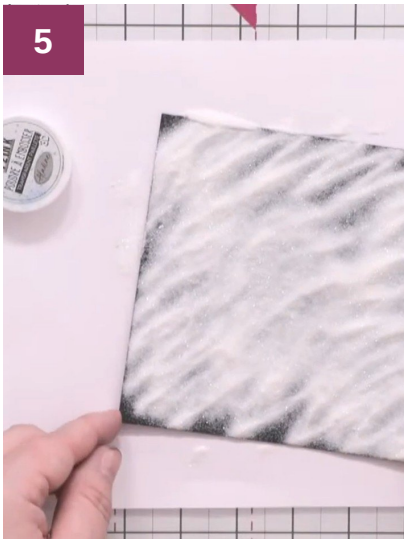
VER ESTE PASO - 12:45



PASO 4 DE 13

Sprinkle clear sparkling embossing powder over the black inked design, ensuring the entire stencilled area is covered.

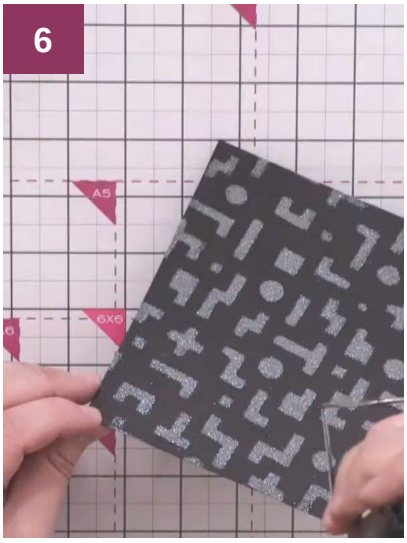
VER ESTE PASO - 13:45



PASO 5 DE 13

Tip off the excess embossing powder from the black cardstock. Heat-set the remaining powder using a heat gun until it melts and fuses to create a glossy raised pattern.

VER ESTE PASO - 14:00



PASO 6 DE 13

Mount the embossed black panel onto iridescent green glitter cardstock using double-sided tape, leaving an even border around all edges.

VER ESTE PASO - 14:45

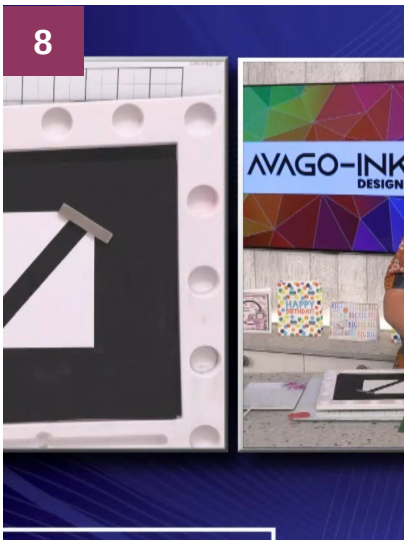
7

PASO 7 DE 13

Cut a rectangle mat from glitter cardstock slightly larger than your square stamped element. Cut diagonally from corner to corner to create an offset frame that can be separated whilst keeping the sparkle effect.

VER ESTE PASO - 18:30

8



PASO 8 DE 13

Stamp the crash design from the AVAGO-INK DESIGNS A5 CRASH stamp set in black ink onto white cardstock. The design features gaming equipment including a hammer.

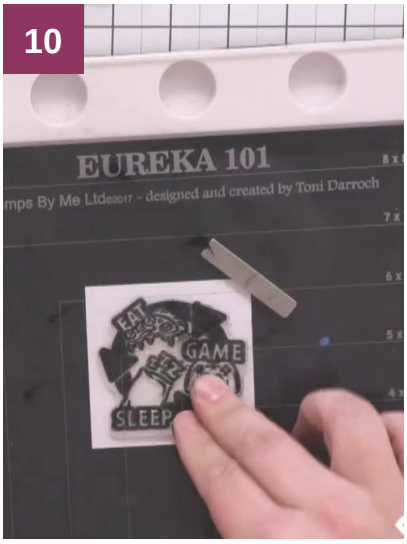
VER ESTE PASO - 20:00

9

PASO 9 DE 13

Mount the stamped white square onto the black glitter rectangle mat using wet glue around the edges for security.

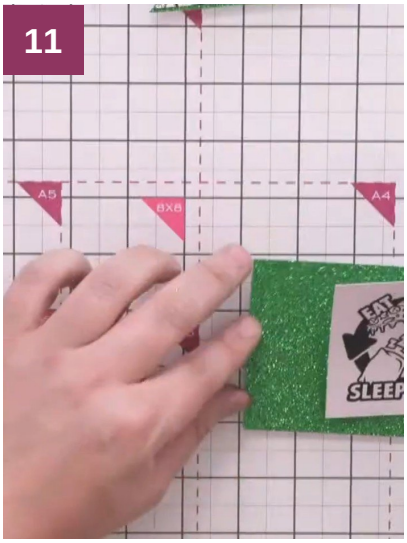
VER ESTE PASO - 21:30



PASO 10 DE 13

Stamp a sentiment or decorative element in black ink onto a small white square of cardstock.

VER ESTE PASO - 23:30



PASO 11 DE 13

Mount the sentiment square onto matching green glitter cardstock using red liner tape for a secure hold.

VER ESTE PASO - 25:00

PASO 12 DE 13

Attach foam pads to the back of the corner elements. Position them diagonally opposite on the base card, leaving equal borders on all sides.

VER ESTE PASO - 27:00

PASO 13 DE 13

Attach foam pads to the back of the central sentiment piece featuring the gaming controller design. Position it in the centre of the card front over the layered background.

VER ESTE PASO - 28:00

CONSEJOS DEL PROGRAMA

• Position the stencil at an angle rather than straight to create more interesting shapes and avoid a too-neat appearance.
• When mounting square elements, cut them as rectangles first, then cut corner-to-corner to create an offset frame that keeps the design centred.
• Use wet glue or liner tape on glitter cardstock rather than dry adhesive to ensure secure bonding on the uneven surface.
