UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CREATE AND CRAFT - 16 DE NOVIEMBRE DE 2022

EL PROYECTO TERMINADO

SOBRE ESTE PROYECTO

Create an elegant card featuring beautifully embossed roses with a sophisticated ink-spot technique. The design showcases turquoise and white roses with grey foliage on a white card base with a dark blue glitter frame. This intermediate project uses selective inking in the embossing folder recesses to achieve crisp, detailed dimensional florals.
